Beware of Ointments for Catarrh That Contain Mercury
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co. Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. For a home, a profitable farm, or an investment, Palmer lands cannot be equaled. Farms and ranches of any nature desired, from 80 to as many acres as desired, aggregating at least 4000 acres, all as good land as any yet sold, are still left. We have many inquiries and confidently expect this entire body of land will be sold in the next few months. If interested, call and let us show you photographs and maps and explain further in detail. We can find what kind of a place you want and will take you to the places that will most likely suit your needs, and return in one day on the O.W. R. & N. The time between trains at Palmer Junction is six and one-half hours, which gives ample time to look over much of this land. If a longer stay is desired, accommodations for board and lodging can be arranged. The roads are in good condition to drive over with wagon. Our representative will either meet you at Palmer Junction, or go down with you at any time you wish.
