You may wonder why La Grande made flour is cheapest in price. That's easy explained, its born and raised here. There's no commissions, no long freight hauls added. You merely pay for flour, that's all you ordered. Do you know the freight on coal is more than the coal costs. So if the mine was here in La Grande coal would be cheap. Its the same way on flour. Did you ever figure this way?—Adv. 5-28-1t.

TO FIT ALLISON'S MOUTH. Imbler, Oregon, May 26, 1915.—William Allison, Esq., La Grande, Ore., Dear Sir:—Answering your advertisement in La Grande Observer as to how many biscuits can be made from one sack of "La Grande Milling Company Blue Stem Flour," I wish to state that the biscuits for "The Grande Ronde Valley banquet" were made of this same Blue Stem flour, and that one-third of sack was used to make 1375 of them.

The biscuits for that banquet were ordered and made just the right size to fit the mouth of W. S. Allison, who, according to the most authentic reports at 57 of them—each biscuit making just one bite.

Mr. Allison did this act to advertise his flour and to try to compete with Wm. Miller in consumption of Cleaver's Apply Syrup.

These facts all being considered, the number of biscuits that can be made from one sack of the Blue Stem flour would be exactly 4125.

Blue Stem Flour makes better biscuits than any other flour on earth—if you don't believe it ask "Bill" Allison.

Respectfully submitted, MRS. GEO. CLEAVER. Mrs. Geo. Cleaver of Imbler, Oregon, must have moulded her biscuits with a tumbler to get 4125 out of one sack of Blue Stem flour as you will see in her letter today from the apple syrup section.—Adv. 5-28-1t.

TIME IS THE TEST. The Testimony of La Grande People Stands the Test. The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time. La Grande people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills, they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? Below is testimony such as the sufferer from kidney ills is looking for. Mrs. M. Pike, 101 Greenwood St., La Grande, says: "One of our family had weak kidneys, and the result was backache. This one found it very hard to straighten after stooping and on doing so, sharp twinges darted through the back. After using Doan's Kidney Pills a short time, great relief was had. Statement given May 20, 1910. OVER A YEAR LATER, Mrs. Pike said: "We are still enthusiastic in praise of Doan's Kidney Pills. We still use them with good results." Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Pike recommends.—Adv.
