We have many inquiries and confidently expect this entire body of land will be sold in the next few months. If interested, call and let us show you photographs and maps and explain further in detail. We can find what kind of a place you want and will take you to the places that will most likely suit your needs, and return in one day on the O. W. R. & N. The time between trains at Palmer Junction is six and one-half hours, which gives ample time to look over much of this land.
