

MOOSE TAKE OVER O-W 9

COUNTY LEAGUE BLOWS AS A RESULT OF IT

Cove Wins Pennant—Summerville
Has Team That Claims Notice

Through the transfer of a figurative franchise held by the O-W shop team in the County league, to the Moose Lodge, a free lance, the Union County league, more correctly spoken of as the State Amateur league, has puffed up and burst. Union was the first to pull out, then Perry, sent in to fill the breach, withdrew after an unsuccessful attempt to win games. For two weeks or so the league ran alone with three clubs and it was the purpose to continue it thus.

Transfer Speels Bust
During the current week, however, the O-W shop team was absorbed by the Moose Lodge. Practically every member in the shop team has been initiated into the Moose lodge, and the lodge will back the team.

First Game Tomorrow
Just what the Moose team will do will be found out tomorrow. Sam Wright, who has been elected manager, has closed arrangements for a game with the Moose team of Pendleton and the Pendleton P. A. P's. will be in La Grande Sunday afternoon. The La Grande Moose band will be present to furnish music for the occasion and not only is a jolly good time between lodge members promised but lovers of baseball will be given a treat worth seeing.

Premature demise of the league leaves the balance of the clubs to hustle for themselves. Cove, winner of the pennant by virtue of six victories and one defeat, plays the strong Prairie City team tomorrow, and it is likely that Imbler will rig up a game with some amateur team.

Speaking of amateur teams. That reminds us that out in the Summerville-Dry Creek region the boys have a strong aggregation. J. J. Waggoner is manager and a man named Dickes is the pitcher. They have cleaned up everything they have gone against in a neighborhood way and now they want to tackle something bigger. They want to meet all teams of the valley, regardless of stripe or color. Dickes is touted as being a pitcher of considerable merit and the Dry Creek boys have plenty of faith in him.

Fans haven't yet got into their bonnets that Prairie City, which plays here Tuesday afternoon, is cleaning up the earth in this part of the earth. Baker fell before the team; the Prairie City people feel sure that will tomorrow, that Elgin will Monday and that Tuesday they will take the measure of the La Grande team. The Commercial club of Prairie is backing the team with moral support and finances, and the trip through Eastern Oregon is more or less of a publicity junket.

Union tomorrow. Baker plays at Elgin, and thus is aligned the teams in the Eastern Oregon league.

One thing's a cinch. Elgin is no quitter. Although going through a most disastrous season—a season unprecedented in Elgin for years and years, the players are hanging on and many of the fans are standing by the ship. Such loyalty to a losing team, such determination by a bunch of players is indeed commendable to Elgin's spirit.

SPORTING NEWS

The tennis courts being constructed by the La Grande Tennis club, are about completed. A fencing bee is to be held in a day or two and by that time the cement courts will be complete and dried up. Then some 30 members will be out in force to enjoy the sport.

Last Saturday evening a team of seniors in the Y. M. C. A. men's class captained by Rev. Close was defeated by a team captained by Sam Wright, but the score was so close that it was decided to play it off tonight and after the game the players and their wives will be treated to ice cream. The same regular players that participated last week are to be present and be "in" on the feed tonight.

Outplaying her opponent in all de-

Miss Lillian B. Hyde

partments of the game, Miss Lillian B. Hyde, of the South Shore Field Club easily retained her grip on the title by defeating Mrs. Joseph E. Davis, of Piping Rock, 4 up and 3 to play in the decisive round of the Women's Metropolitan Golf Association championship tournament at the Sleepy Hollow Country Club, Long Island.

This makes the fourth time that Miss Hyde has won the Metropolitan, and unless someone with a game a great deal better than anything shown comes along, it will probably be quite a while before the Long Island girl's supremacy in her district will be placed in jeopardy.

Miss Hyde's best shots were made in the early stages of the match and nothing better was seen than her beautiful 3 at the first. A long drive and a full iron left her a putt of scarcely two feet, which she made for a 3. This hole is 338 yards long and was none too easy because of the adverse wind. For the first four holes Miss Hyde never gave her opponent a chance. The champion won the second in 4 and the next in 5. Mrs. Davis over-approaching. A 4 up the hill to the fourth was entirely too much for the Piping Rock woman. This made Mrs. Davis 4 down. She halved the short fifth and won the next when Miss Hyde topped her drive into trouble.

After Miss Hyde won the seventh she halved the next two, so that the champion turned for home 4 up, going out in 43 to her opponents 47.

Miss Hyde's drive was faulty coming back, but, even so she easily held the other, who made frequent mistakes, besides failing to get anything like normal distance through the fairway. Miss Hyde won the tenth easily, 10 to 7; halved the next, but lost the twelfth, which she attempted to play safely. Miss Hyde also messed up the short thirteenth, which her opponent won in 4 to 5. Miss Hyde was then only 3 up. She topped her drives from the next two tees, got a half in 5 at number 14, and won the fifteenth when Mrs. Davis approached weakly, and wound up by taking 3 putts. That ended matters, Miss Hyde's margin being 4 and 3.

MESSAGE FROM HOME.

—Testimony of La Grande Citizens
Statements That May Be Investigated

When a La Grande citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a La Grande resident. No stronger proof of merit can be had.

E. L. Bussey, prop. cab service, 1521 Madison Ave., La Grande, says: "I had attacks of kidney trouble, and they were always worse when I caught cold. I had dull pains in my back and my kidneys got badly out of order. I began using Doan's Kidney Pills, and from that time to this I have relied on them. Whenever my back has bothered me, Doan's Kidney Pills have fixed me up all right in a short time. I never used a better kidney medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bussey had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

For Sale, Five Acres—Notice
to Bidders.

"They say every big family has a black sheep. Well that's the way of the world. Even among Diamond Tires there's about one out of every hundred that isn't just what it ought to be."

—Mister Squeegie

We don't judge families by their black sheep.

We judge the black sheep by their families. And the better the family the blacker the sheep. So when a Diamond Tire gets into trouble we think more strongly about it because it comes from such a good family.

But isn't it a wonderful record—about one Diamond Tire in every hundred a black sheep—

Oh, not really deep-dyed black—let's say it's sort of a dark gray sheep actually.

The difficulty is that Diamond Tires can only be compared with Diamond Tires. There's no other standard of comparison.

Send for our book of letters from dealers who sold Diamond Tires in 1914.

It tells how more than 99 out of every 100 of the more than half million Diamond Tires sold last year gave maximum service at minimum mileage cost. It is yours for the asking.

Diamond Squeegie Tires are sold at these

"FAIR-LISTED" PRICES:

Size	Diamond Squeegie	Size	Diamond Squeegie
30 x 3	\$ 9.45	34 x 4	\$20.35

AUTO REPAIRING

Equipped to repair all makes of cars. Nothing but first class repairmen employed. All work guaranteed.

LEIGHTON'S GARAGE

Dependability—versus— Ingenious Claims

MORE than 75 Concerns now manufacture Tires. We believe that everyone of these makes as good Tires as he knows how, at the lowest cost his Experience, Equipment and Methods make possible.

We believe that the average Tire Manufacturer is fair in his treatment of Adjustments, and that few deliberately misrepresent their product, either verbally or in print.

We believe that no Tire Manufacturer can afford to make statements in print about his product, which statements cannot be borne out by the performance of his Tires, in actual use.

We believe that the Tire has never been made which will not "Rim-Cut" if run "flat" for any considerable distance, and that many makers, including ourselves, have always produced Tires that would not otherwise "Rim-Cut."

Only 5% Plus for this
Best Non-Skid

Note following comparative prices. "A" "B," "C" and "D" represent four widely-Sold Non-Skid Tires:

Size	Goodrich Safety Tread	OTHER MAKES	"A"	"B"	"C"	"D"
30 x 3	\$ 9.45	\$10.55	\$10.55	\$16.35	\$18.10	
30 x 3½	12.20	13.35	14.20	21.70	23.60	
32 x 3½	14.00	15.40	16.30	22.85	25.30	
34 x 4	20.35	22.30	23.80	31.15	33.55	
36 x 4	28.70	32.15	33.60	41.85	41.40	
37 x 5	33.90	39.80	41.80	49.85	52.05	

Made as always—the same reliable Construction, the same dependable Service—without anything whatever taken out of Quality, no matter what reductions in List-Price are ever made.

We believe that many more Tires "Break-at-the-Head" than Cut at the Rim.

We believe that the Rubber-Riveting System of attaching the Tread to the Carcass (by means of a loosely-woven fabric, which permits the raw Rubber to percolate through its meshes and then Vulcanize to Carcass and Tread) prevents, to a large extent, Tread Separation.

We have long used this in "Goodrich" Tires, as a common-place part of our Precision policy, but without laying any particular stress upon it.

We believe that the "Double-Cure" process, common with a great many Tire Manufacturers under different names, is a unnecessary expense to the Cost, which expense the Methods of the Goodrich Factory eliminate through its Precision "Single-Cure."

We believe that the cutting out of needless expenses like this (which our Precision Methods save) constitutes one of the strongest reasons why the largest Rubber Factory in the World (Ours) produces the greatest Mileage—per Dollar of Cost—in its Tires.

And—
—"The PROOF of the Tire is in the Mileage record."

We believe that the House which sticks to the Truth in its Advertising, is reasonably sure to stick to the Facts in its Selling. You have never yet found anything in Goodrich Advertising which was not in the Goods it advertised.

Hence you may pin your faith to the following statement:—
—Goodrich Safety-Tread Tires give, with most UNIFORMITY, the greatest MILEAGE, and Resilience, at the fairest Cost, per MILE, to Tire Users. Test them and see!
