

LODGE AND CHURCH WILL OBSERVE FLAG-CHILDREN'S DAY

IMPORTANT DAY TO BE CELEBRATED.

Children's day and Flag day to be observed tomorrow by the many churches and at least one lodge of this city. Careful preparation for all these ceremonies have been made.

Children's day services will be observed in various Sunday Schools of the city tomorrow morning and evening.

Sunday evening at 8 o'clock the Baptist Sunday School will give a Flag Day and Children's Day program combined. The exercises will include songs, recitations, solos, duets, drills, and instrumental selections.

At the morning service, the pastor, Rev. R. E. Close will speak on the theme, "Jesus and the Child in the Midst."

The officers of the Sunday School extend a cordial invitation to all. The program for the evening entertainment follows:

- Processional.....Iva Wilson
- Song "Sunshine and Rain".....School
- Prayer.....Rev. R. E. Close
- Responsive Reading.....
- Song, "The Good Shepherd".....
- Recitation, "The Difference".....Primary Dept

Delicious!—Cooked by Electricity

"This is the finest steak I ever tasted."
"Why, Harry, it's my 'Hughes 33.' I find new things about it every day. Now this steak is broiled on top with live, radiant heat. The juices can't run off before the surface is seared. The broiler slips right out and I turn it over. Then when it is done, I turn off the current and it keeps nice and hot in the oven till you get home."

Hughes Electric Ranges

The Hughes Electric Range, Mr. Master-of-the-House, not only saves hours of work each day—not only brings a cool, clean, sanitary kitchen, but adds the perfecting touch to cooking. The heat is uniform—always the same so it cooks evenly and thoroughly. It really roasts and broils meats where other ovens bake. The live, red heat by direct contact sears the surface and retains the flavor. Remember that a Hughes Range preserves health and beauty. The foods are heated—not the kitchen and the cook. The fire is absolutely soil-less. And the kitchen is as cool and pleasant as the parlor. Come into our office and see this range. We will give you facts that will astound you.

Eastern Oregon Light & Power Co.

And the cost of installation and maintenance is moderate. By all means come, see them and learn about this wonderful stove. A problem for La Grande families to solve: Can you afford to use a wood or coal range with all the dirt and work attached, when you can use a Hughes Electric Range with all its conveniences and cleanliness at practically the same cost?

Look for Quality EVERY Where--Not Just in "Spots"

You can find many cars that excel in this or that detail of construction. One will talk POWER steadily—because it has paid more attention to power—developed that one quality more highly than others. Another, perhaps, will talk of its light weight—because its engineers have devoted especial attention to doing away with useless weight. Others will tell you of this or that BIG excellence. But Studebaker emphasizes no ONE excellence in this Studebaker SIX to the exclusion of all others. For the simple reason that Studebaker has built this Six to be 100 per cent. quality from "stem to stern."

We have sold these machines in the Grande Ronde valley and we invite anyone contemplating the purchase of a car to talk with any Studebaker owner in the valley. They stand up and give the service with little upkeep. They are dependable for this Eastern Oregon country, and in searching over all makes of automobiles now on the market we have found none that compare with this splendid car.
