"It's easy enough to be pleasant When a man has all he requires; If his health is all right His heart will be light While he's riding on Diamond Tires."
—Mr. Squegee

A man is a good deal like a tire. His greatness depends on the crowd he is in.

The really great man—the leader—literally has to meet all comers in the contest for public approval. Any tire is the best tire in a crowd of inferior. But nowadays a tire has to be extraordinary if it is to make and hold a record for superior service and mileage economy.

It is the extraordinary quality of Diamond Tires that has given them their deserved pre-eminence. Send for our book of letters from dealers who sold Diamond Tires in 1914.

It tells how more than 99 out of every 100 of the more than half a million Diamond Tires sold last year gave maximum service at minimum mileage cost. It is yours for the asking.

Diamond Squegee Tires are sold at these "FAIR-LISTED" PRICES:

Size	Diamond Squegee	Size	Diamond Squegee
30 x 3	\$ 9.45	34 x 4	\$20.35
30 x 3 1/2	12.20	36 x 4 1/2	28.70
32 x 3 1/2	14.00	37 x 5	33.90
