### England Opens a Training School

London, Nov. 2. (By Mail)—The war is going to work a revolution in the status of the waiter, according to G. B. Sims, secretary of the British Hotel Restaurant and Club Employers Society. Heretofore London has depended largely upon aliens for the table service, while the French and Italians furnished some, the Germans and Austrians were responsible for most of it. To replace these the society has opened a training school for waiters. There has always been a shortage of English waiters in the past and it was this that brought about the influx of foreigners. By changing the whole status of the waiter and making the occupation a more desirable one the society hopes to secure enough English followers of the vocation to keep out aliens following the close of the war.

### Electricity for British Soldiers

London, Nov. 2 (By Mail)—How a part of the British line was supplied with German electricity was told today by members of the London Irish Rifles. British telephone linemen found two live cables back of the British lines in Northern France. The current came from a German generating station somewhere across No Man's Land. The linemen soon fitted wires and piped the current into battalion headquarters, the dressing stations, officer's dugouts and other point. Incandescent lamps were supplied from a nearby village and German electricity was thoroughly enjoyed "by all."

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

## EASY TO DARKEN YOUR GRAY HAIR!

Try this! Mix Sage Tea and Sulphur and brush it through your hair, taking one strand at a time.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Hair Remedy." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling. Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years younger.

### Californian Had Kidney Trouble

Jack Maltos, Copperopolis, Calif., says: "I had such a severe case of kidney trouble I thought I would have to sell out my business. I took three bottles of Foley Kidney Pills which entirely relieved me and I have had no recurrence of kidney trouble since then." Some days it seems as if you can no longer bear the pain and misery you suffer from kidney and bladder troubles. The ache across your back grows worse with every step you make and every step you take. Just seems to rob you of all strength and energy. Your head aches, you are nervous and worn out, sleep poorly and have no appetite, stomach is upset and bowels irregular. Foley Kidney Pills lessen the pain, until it is finally gone entirely. They give strength and tone to the kidneys—make them strong, active, their action becomes regular and normal again, and your health grows better each day you take this great healing medicine.
