CHEAPER RATE ASKED FOR

ONE-CENT LETTER RATE IS
SOUGHT BY MANY

Readjustment of Mail Charges
Deemed to Be Vitaly Important

"Letter postage users of the United States and particularly those who have a large volume of letter mail are clearly entitled to a one cent letter rate, and a determined fight will be made in congress this winter to secure it."

F. L. Myres made the above statement yesterday, accompanying it with the information that the business men of this city are joining the ranks of the National One Cent Letter Postage Association, for the purpose of securing a one cent letter rate.

He declared that "already the association has strong and representative memberships in every city and town throughout the United States, and that every effort is to be directed toward securing action on a one cent rate at the approaching session of congress."

"The time has arrived," he went on to say "when officials at Washington should take cognizance of the demand made by the users of first class letter mail for a readjustment of rates so that ordinary letters, which are now being charged two cents each shall be carried at cost, or about one cent each."

"It has been amply demonstrated by statistics and actual investigation that a one cent letter rate throughout the United States will pay and that the extra cent now being demanded for the carriage of a letter is nothing less than a tax."

"The United States post office department was primarily organized for the carriage of letters, and in the early days the charges made on a basis of actual cost of transportation. When the department was organized transportation difficulties were immense, and a high rate had to be charged. Years have passed, wonderful inventions have revolutionized the transportation business and the cost of carriage has been lowered until now it is known letters can be carried at one cent instead of at two cents, which is the present charge."

"Mechanically the United States Post Office Department is about the most perfect working machine there is in the business world. When you consign a letter to the post office, you have almost definite assurance that it will reach its destination. On the other hand, the methods used for determining charges on different classes of mail are antiquated and unscientific, and seems certain that a general revision of the postal rates must be made within the next few months."

"There are many reasons why letter users are entitled to a one cent rate. Among them may be mentioned: "Because the government is making about 100 per cent profit on letter postage."

"Because the department was established primarily for the distribution of letter mail."

"Because it was never intended that letter mail should pay a profit."

"Because one-half of our letter postage is a tax."

"Because this tax is not used for the general expenses of the government, but utilized as a subsidy for other classes of mail."

"Because it is wrong to tax one class for the benefit of another."

"Because an equalization of our postal rates will provide better service."

"Because we have been entitled to one cent letter postage for the past ten years."

"For the purpose of crystallizing throughout the United States so that this reform can be brought about, there has been formed the National One Cent Letter Postage Association, of which Charles Wm. Burrows, Cleveland, is president, and George T. McIntosh, Cleveland, is secretary treasurer and manager of the campaign. This organization has been in existence for a number of years and has been steadily working for a one cent letter rate."

"I feel certain that we can present this matter in a proper light, so that our representatives at the national capitol will be sufficiently impressed to support this work."

Jefferson Names Physician

Jefferson, Or. Dec. 7.—Dr. W. W. Allen was elected mayor here yesterday; G. P. Griffith, recorder; Ray Reeves, J. L. Blackwell and D. H. Looney, councilmen.

GLASS OF SALTS CLEANS KIDNEYS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

STOMACH MISERY QUICKLY VANISHES

Your money back if you want it is the way in which the Newlin Drug company are selling Mi-o-na, the great dyspepsia remedy.

This is an unusual plan, but Mi-o-na has so much merit and is so almost invariably successful in relieving all forms of indigestion that they run but little risk in selling under a guarantee of this kind.

Do not be miserable or make your friends miserable with your dyspepsia. Mi-o-na will help you. If it doesn't tell Newlin's Drug company that you want your money back and they will cheerfully refund it.

A change for the better will be seen from the first few doses of Mi-o-na and its continued use will soon start you on the road to perfect digestion and enjoyment of food.

Mi-o-na has been so uniformly successful that every box is sold under a positive guarantee to refund the money if it does not relieve. What fairer proposition could be made?

Newlin's Drug company give their personal guarantee of "money back if you want it" with every box of Mi-o-na that they sell. A guarantee like this speaks volumes for the merit of the remedy.

Trustee's Sale.

Notice is hereby given to all whom it may concern that the undersigned, late administrator of the estate of Edmon Garn, deceased, will sell at public auction at the late residence of Edmon Garn in northeast 1-4 of Section 30 township 1 S. R. 39 E. W. M. near Imbler, Union County, Oregon, on Saturday, December 18th, 1915, at 10 o'clock a. m., certain personal property belonging to the heirs, consisting of farming implements, horses, cows, pigs, hay and household goods and furniture.
