OPERATES CAFETERIA.

Teachers and Pupils Who Remain

Mr. McIntosh visited the Caesar class and addressed it upon the subject of Caesar's campaigns against the Helvetians and Ariovostus.

The six weeks tests are finished and the report cards have been distributed.

The domestic science department began serving light cafeteria lunches Tuesday and will continue through December, January and February for the convenience of teachers and pupils who stay at the school building during the noon hour. The proceeds will be used for the furnishing of their kitchen.

Boys not on the regular basketball team have organized a team of their own which practices Monday and Wednesday evening of each week under the direction of Mr. Morrow.

A class in argumentative English will be organized next semester. This work will prepare pupils to enter the competitive debates which will be held in the spring.

SIMPLE REMEDY FOR CATARRH

Just Breathe Hyomei Four Times a Day and Be Relieved.

If a few years ago some one had said you could treat catarrh by breathing air charged with a healing balsam, the idea would have been ridiculed and it remained for that eminent investigator, R. T. Booth, to discover in Hyomei this wonderful method of treatment.

Hyomei has performed almost miraculous results in treating catarrh and is today recognized by thousands of people as the only advertised remedy for catarrh that can be relied upon to do just what it claims. The complete outfit of Hyomei is inexpensive and consists of an inhaler, a medicine dropper and a bottle of Hyomei.

Breathe the air of Hyomei through the little inhaler druggists furnish with it for few minutes four times a day and it will help the worst case of catarrh. It soothes and heals the mucous membrane of the air passages, prevents irritation, and effects complete and lasting relief.

In La Grande there are scores of well known people who have been relieved of catarrh by Hyomei. If it does not help you Newlin's Drug company will return the money you paid for Hyomei. This is the strongest evidence that can be offered as to their faith in this remedy.
