EXEMPLARY.

Entire Band to Play for Dancers at
Big Union Function.

Union, Ore., Dec. 14.—What promise is to be one of the biggest dances of the season will be put on at the Opera House, Friday night, Dec. 17th by the Union Concert band. This is the first time that the band has attempted to put on a dance for several years and the event is being looked forward to with much anticipation by the lovers of music and an evening of dancing. A concert will also be played by the band, commencing at 8 o'clock after which dancing will be in order, a varied program of rag-time, classical and the good old pieces will be rendered during the evening. The sixteen members of the local organization have been working faithfully under the direction of Guy McMillan to make the event a success. The entire band will furnish the dance music during the fore part of the evening after which an orchestra composed of ten pieces will play until the end of the dance.
