

### WILLARD BATTERY SERVICE

JOHNSON & RIESLAND HAVE SERVICE STATION.

Willard Battery People Have Regular Station in La Grande.

Johnson & Riesland, garage owners, have the Willard Storage Battery system service station. In speaking of that service Mr. Johnson, senior member says:

"Do you, Mr. Car Owner, know what Willard service means to you? It means that the Willard factory put these batteries out for service and we are here to see that the Willard equipped cars give the best possible service at all times. It means that your battery is listed here on our free inspection book and you are requested to call at least once a month for a free inspection and standardization. It means that when any weakness shows up from neglect or hard use we are to remedy the trouble and if, at any time, a defect should show up that is the fault of construction, you are entitled to an adjustment and replacement from the large stock of parts and batteries we have coming."

"Reasonable adjustments and replacements made on old batteries of all kinds. Instructions in taking care of your battery will be given along with free inspection and free monthly service. Willard service backs the firm competent to deliver the goods. "Watch for the Willard free inspection and service tag."—Adv.

#### Sloth Bear Calls Police

New York, Dec. 15.—While Lieutenant Farley, of the arsenal police station Central Park, was sitting at his desk he heard the shrill blasts of a police whistle coming from the direction of the bear cages. Remembering the many times that incautious persons were clawed by the polar bears when they ventured too close, he sent the policemen on station house duty on the run. On the way the party was joined by Head Keeper Bill Snyder and Jim Coyle, who has charge of the bears.

Armed with clubs brooms and pitchforks, they charged on the bear cage

They arrived breathless at the top of the hill, where the bears are kept, but no person torn by the sharp claws of the polar bears met their gaze. Instead, in the cage next to the white monsters sat Gelatine, a new sloth bear, the gift of Charles Knox, a gelatine manufacturer, joyously tooting a police whistle.

Gelatine sat on his haunches, with the whistle tucked in the fold of his long lower lip, and in short breaths he was upsetting the peaceful routine of the Central Park zoo.

Some admirer had slipped the whistle to Gelatine and he was making the most of his gift.

#### John D. Skimps Gasoline

New York, Dec. 1.—Even chauffeurs can't fool John D. Rockefeller all the time. Mr. Rockefeller has issued orders that there is to be no more joy riding on his estate. Mr. Rockefeller owns nine Fords which are used for various occupations on his estate. For some time his gasoline bills have been mounting and he has also noticed that his repair shop has been busy the average being one wrecked car a week.

Mr. Rockefeller recalled that orders were issued long ago to stop joy riding. But they did not stop chauffeurs so he placed a man in charge of the gasoline at Pocantico Hills, and as each car goes out it is provided with enough gasoline to make the trip and the mileage figures on the speedometer must be turned in every night.

If the chauffeurs want to ride any further than the order calls for, they must do it with gasoline bought at their own expense. Mr. Rockefeller figures they won't do that long.

#### Delinquent Corporations Urged

Salm, Or., Dec. 14.—Corporation Commissioner Schullerman is writing corporations, delinquent in their license fees, urging them to make payments by the first of the year. He estimates that the delinquent fees will total \$20,000. The corporations who are two years in arrears and who fail to pay by the first of the year, will be reported to the governor with the request that he dissolve them.

## IF BACK HURTS BEGIN ON SALTS

Flush the Kidneys at once when Back-achy or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

#### Gadski Sings at Eugene.

Eugene, Or., Dec. 15.—Madame Gadski sang to a large audience in the O. N. G. armory in this city last night. Eugene is one of the few cities on the coast at which the noted prima donna appears. The concert was given under the auspices of the Eugene Philharmonic society.
