Your Plum Pudding For Christmas Already To Serve

Good cooks we know, like to exercise their skill. They like to serve their own creations.

But in some lines, madam, specialists do better. They get materials; they have better facilities. And they've searched the world sometimes to get a faultless recipe. This is true of Franco-American Plum Pudding. Nobody has even matched this dish. Perhaps nobody ever will.

Everybody that has used these F. A. Plum Puddings have given them the best of recommendations and the price is very reasonable.

PRICE 35c EACH.
