

IMBLER FRUIT SHIPPED EAST

APPLES EN ROUTE TO CHICAGO
AND KANSAS CITY.

Hygiene Meeting Followed by Ap-
pointment of a Local Committee

Imbler, Dec. 20.—(Special)—The past week has decimated the male population of Imbler and vicinity. Charley Squire, James Andrews, Geo. Marshall, Coy Rector, William Rollins accompanied six car loads of apples, three out of Imbler and three from

Conley Siding, bound for Kansas City and surrounding points. Some of the men will visit other points after disposing of the carload of fruit. Later in the week I. A. Bingham and Williams started for Chicago with two more car loads. The men figure that they will celebrate Christmas while on the road. Their passes are good for thirty days.

Friday night the La Grande basketball quintet braved the snowdrifts and "gasolined" down to open the M. I. A. series of games on the Imbler court. One car had some trouble and was delayed so the Ford came in first—as usual—and the game was started with La Grande shy part of their team and using substitutes. Later the remaining boys arrived and the odds turned in the visitors' favor, but not in time to overcome Imbler's lead. The playing was fast from start to finish and baskets were fre-

quent and sometimes spectacular. Score 32 to 31. The local line-up was Stringham, Rollins, Henrie, Westenskow and Lahelman.

Miss Edna Martin was Christmas shopping in La Grande Friday evening.

Dr. Dora Underwood of La Grande was visiting with Mrs. W. V. Connor Friday.

Friday evening, immediately following the ball game, about eighty men and older boys gathered in the Amusement hall and listened to able addresses by Dr. C. S. Moore of Imbler and Robert Eakin of La Grande, the former explaining the conditions which have led to the formation of the Oregon Social Hygiene society, while the latter told what the society had been doing in Oregon. After the lectures, a permanent committee was elected. Secretary Oakes was present

and helped with the meeting.

Saturday night the Epworth League held a social at the home of Miss Georgia Berry. A sleigh ride was part of the program.

Next week will be a busy one for churches and schools. Each organization is arranging an appropriate program. Thursday evening occurs the minstrel show, staged by the band boys, Friday afternoon the school program and in the evening will be the church programs, followed by a dance by the stock company.

The Imbler school will close Friday to reopen Jan. 3. District No. 78 will close Thursday. Joe Eshelman will hurry to Portland to see his bride who remained in the city after their marriage at Thanksgiving time.

Action of Single Spoonful Surprises Many.

La Grande people who bought the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka, are surprised at the instant effect of a single spoonful. This remedy is so complete a bowel cleanser that it is used successfully in appendicitis. Adler-i-ka acts on both upper and lower bowel and one spoonful relieves almost any case of constipation, sour or gassy stomach. One minute after you take it the gases rumble and pass out.—C. D. Putman.—Adv. 9-16-15.

Danger Signal

If the fire bell should ring would you run and stop it or go and help to put out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell. You should no more try to suppress it than to stop a fire bell when it is ringing, but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or attack of the grip. Mrs. Thomas Beeching, Andrews, Ind., writes: "During the winter my husband takes cold easily and coughs and coughs. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other." Obtainable everywhere.

MANY CHILDREN HAVE WORMS

Worms are a common childhood ailment. They make children restless nervous and irritable, besides robbing the body and mind of proper nourishment. Watch your child. Examine the stools and at first signs of worms give your child a treatment of Kiskapoo Worm Killer. They kill the worms, act as a laxative and expel the worms and poisonous waste. Tone the system and help restore your child's health and happy disposition. Only 25c at your Druggist.
