PROLONGED ZERO WINDS

NORTH POWDER PEOPLE HAVE HARD WINTER.

Hay Scarce and Even Straw Can't Be Bought—Contest Wins.

North Powder, Ore., Jan. 4.—Dr. Law received notice a few days ago through his attorney J. D. Slater that his contest which had been appealed to the U. S. Land office had been decided in his favor. Dr. Law was contested on his desert land filing some two years ago by Forrest Bandy and the contest was decided by the local land office in favor of Bandy. Dr. Law appealed to the General Land office at Washington through his attorney Mr. Slater and he received his notice recently. Arthur Terrall and wife and Miss Edith Hunt who had their desert filings contested like Dr. Law also appealed their cases and the contests were decided in their favor.

Mr. Heartvixen was hauling out hay to his homestead today. Hay is a very scarce article in this vicinity at present. It is reported that there is no straw for sale as so many are feeding it instead of hay.

Herman White, Ross Jones, Ellis Hoss and Chas. Law and others attended the basketball game at Union Saturday night between the Union Feds and the M. I. A. of La Grande. They think it was worth going to see as it was a hotly contested game all the way through. Owing to the snow blockade some of the crowd did not get home until Monday.

The U. S. P. are planning to cut ice as soon as the storm and snow will let up long enough for them to get to work at it. They have had to keep a large force of men at work cutting ice on the river from above. The work is of great benefit to the people of the country.

IS YOUR STOMACH CLOGGED WITH WASTE?

Newlin's Drug Company Guarantees to Return the Money if Mi-o-na Does Not Relieve You.

"It's a pleasure to sell a medicine when your customers come in afterward and tell you how much good it has done them," said Newlin's the popular druggist to a La Grande man, "and that is why they like to sell and recommend Mi-o-na, the dyspepsia remedy. They have so much faith in this article that they are going to guarantee it in the future, and will return the money to any purchaser of Mi-o-na whom it does not help. That may seem rash but their customers have said so many good words in its favor that I am sure you will be satisfied." "Anyone who has dyspepsia, whose food does not digest well, and who has to take thought as to what he can eat, and when, can leave 50 cents deposit at their store and take home a box of Mi-o-na and if the remedy does not regulate his digestion and help his dyspepsia he can withdraw his money."

This shows great faith in the merit of Mi-o-na. It is really a most unusual medicine and the rapid increase of sales since they introduced it in La Grande shows that it does all that it is claimed to do—relieves dyspepsia, regulates digestion and enables those who use it to eat just what they want with no fear of trouble after.
