IN FORMER TIMES

With the liberal snow fall and the new work completed at the head of Beaver creek there is but little to fear in the way of a shortage of water for La Grande, and the entire valley as well.
The situation was much different twenty-four years ago when the city was in a turmoil over getting a water supply even for domestic uses. The following was a published report on the situation.
"The present council has made very poor progress in the preliminaries for the construction of water works. There has been a lack of harmony between the members of the council and the mayor which is the cause of delay in the proceedings. Taken altogether there is little hope that the present council will do anything."
News of Twenty-Four Years Ago
The organization of the Welcome club was effected Thursday evening. The object is to promote acquaintance and sociability.
F. D. McCully arrived from Joseph this week to look after his business affairs here.
F. S. Stanley, secretary of the Grande Ronde Lumber Company, has gone east on a visit of six weeks.
Conductor Matott has had charge of the work of picking up the wreck above Ore Dell. The ill-fated engine No. 609 was pulled on the track and brought to La Grande Wednesday. The crew has been at work over a week gathering up the smashed engine and cars.
"Uncle" Tom Andrews who circulated in the vicinity of La Grande has been sent from Eagle Valley to the insane asylum. He is the author of the declaration that "Modern civilization is a failure and that the three greatest frauds of the age are religion, government and medicine."
At the annual meeting of the stockholders of the La Grande National bank, held Tuesday the following directors were elected: R. M. Steel, W. T. Wright, Robert Smith, Jay Brooks, Chas. Goodnough, A. C. McCeland, W. G. Hunter. At a meeting of the directors to be held next week officers will be elected.
