WATER PERMITS MANY.
Entire State Makes Use of Storage and Use of Water.

Salem, Ore., Jan. 12.—During the year ending December 31, 1915, the state engineer issued 581 permits for the appropriation and storage of water. These permits call for the irrigation of 87,329 acres of land, the development of 30,856 horsepower and the storage of 285,669 acre feet of water, and cover municipal supply for Tillamook, Oregon City, Gaston, Amity, Falls City, Portland, Milton, Cove, Halfway, East Side, Marshfield, Lake-side, Newport and Reedsport. The total estimated cost of all works to be constructed under these permits is \$5,349,152. In addition to the permits for irrigation, power and municipal supply, a large number have been issued for individual domestic manufacturing, and numerous other uses to which water is applied.

Malheur county leads during the year for the number of permits issued, there being 109. Josephine county follows with 47, Harney county 42, Baker county 41, Grant county 40, Crook county 34, Jackson county 34, Wallowa county 30, Hood River county 28, Coos county 23, Umatilla county 17, Tillamook county 12, Wasco county 14, Lake county 13, Wheeler county 11, Klamath county 11, Douglas 10, Union county 9, Curry 8, Jefferson county 7, Lane 7, Morrow 3, Clatsop 2, Lincoln 1, Sherman 1, Gilliam 1, while in the Willamette valley 26 permits have been issued.

Of the above permits 117 were issued during the quarter ending December 31, 1915. These permits cover the irrigation of 26,849 acres, the development of 6111 horsepower and the storage of 201,623 acre feet of water.

When is an American not an American
London, Jan. 14.—When is an American not an American? That is a hard nut to crack, according to the American embassy in London. Rather it is a whole bushel of hard nuts to crack. But some of the nuts have been cracked, it was learned today, with the result that scores of "Americans" in England are now without a country.

Statute of Liberty, were forced to answer imposing lists of questions, which were forwarded to the State Department at Washington.

The Department of State acting on a musty and long unused law, decreed that to be recognized as an American in a foreign country, a person must report to the proper American authorities at various times; duly pay taxes in America if he or she has enough property to be taxed; or make a visit home once in a while. A great many Anglicized Americans had failed in this, in whole or in part. They are now persons without a country. A passport is required to go most anywhere at present. So America's lost citizens are marooned—in England.

Little News 'O the Day
Dallas, Tex., Jan. 14.—A campaign to raise a million dollars for educational work in this state was begun here today by the Baptist General state Conference on behalf of Baylor, Southwestern, Ft. Worth and 14 other Baptist schools in Texas.

New York, Jan. 14.—The Republican State committee is to meet here today. The names of those mentioned in recent discussions of possible 4 delegates at large to the National convention were: Elihu Root, William Barnes, Senator Wadsworth, Gov. Whitman and State Chairman Tanner.

Fell Dead Fighting Fire.
Baker, Ore., Jan. 14.—Fighting fire which broke out about 10:30 o'clock this morning at his home on Thirteenth street between Madison and Baker, Walter Finch, nearly 70 years old, was seized with nausea, and fell dead from his exertions a few minutes after he had practically extinguished the flames. Heart failure and exposure, for the old man worked frantically, half clothed and barefooted, combatting the fire, was the cause of death.

Peculiar Facts About People
Santa Rosa, Cal. Jan 10.—Luther Burbank, who probably has given the world more new kinds of fruits and flowers than any living man, had a boyhood ambition to stay in bed, surrounded by huge bottles of medicine, so he could just once have
