

Do You Know—

On What Correct Prescription Compounding Depends?

Correct prescription compounding depends absolutely upon knowledge and experience. The better knowledge and longer experience the druggist has, the more capable he is in selecting only those drugs which are most powerfully potent and give us the greatest degree of medicinal purity. The better knowledge and longer experience the druggist has the more capable he is in compounding remedies, because in this work, as in all walks of life, it is experience and knowledge which counts. We are certainly capable of putting up prescriptions in the very best way, and every prescription package bearing our label bears likewise our guarantee of absolute safety and benefit.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Today's Oddest Story

Flushing, L. I. Feb. 1.—In an attempt to get their \$2,000,000 worth of debts paid, Flushingtons today inaugurated a week's payup campaign with the slogan: "Man is Dust and Settlers. Be a man!" Lexington, Kentucky; Great neck and Far Rockway got the details of the Flushing plan and are watching results here.

Doctors Agree On Eczema Remedy

Do not fall for alluring "for sale" locals, pianos being offered for half price after being half paid for by a former customer. These are old style fake and catch penny tactics, long since abandoned by piano houses of repute. Get the so called bargain price, call at the Richey Piano House and convince yourself regarding prices and qualities. If you buy at home, your contract and account will be with a home institution, and your piano not taken from you after half paid. Don't hurry and then worry, but take your time and get prices and use your judgment.—Richey Piano House, Opposite Elks' New Building on Washington Street.—Adv.
