LEAP YEAR BALL ATTRACTS

IMBLER DELEGATION VISITS SUMMERVILLE.

Series of Religious Meetings Held by Methodist Ministers.

Imbler, Feb. 14.—(Special)—The schools in this end of the valley, which have been closed for several days owing to the almost impassable condition of the roads, were all reopened Monday. The Summerville school did not close, as about all the pupils live in the town and were near the school.

William Westenskow is home for a few weeks, his school near Weiser, being closed on account of bad roads and of danger from scarlet fever, one case having developed in the district. Mr. Westenskow reports Weiser as having several cases of scarlet fever.

A sled load of Imblerites went to Summerville Saturday evening to enjoy the leap year dance given by the

"Why Swear, Dear? Use 'Gets-It' for Corns!"

It's the New Plan. Simple. Sure as Fate. Applied in a Few Seconds.

"Why, John, I never knew you to use such language! I've told you several times it's no use to try those bandages, salves, tapes, plasters, and

"You Wouldn't Lose Your Temper, John, If You Used 'Gets-It' for Your Corns!"

contraptions for corns. Here's some 'Gets-It'. It's just wonderful how easy, 'clear and clean' it makes any corn come right off. Takes but a few seconds to apply. It dries at once. Put your sock on right over it,—there's nothing to stick or roll up, form a bundle of your toe, or press on the corn. It's painless, simple as rolling off a log. Now put away those knives, razors and scissors, use 'Gets-It' and you'll have a sweeter disposition and no more corns and calluses.

"Gets-It" is sold by druggists everywhere, 25c. a bottle, or sent direct by B. Lawrence & Co., Chicago, Ill.

Sold in La Grande and recommended as the world's best corn remedy by C. D. Putman.

ladies of the Summerville community and report a royal welcome and a very enjoyable evening.

Rev. Chapman, of Elgin, is spending the week in Imbler and holding daily evening services at the M. E. church. The Summerville, Alicel and Island City M. E. preachers will probably aid him during the meetings.

Regular services were held in the M. E. and L. D. S. churches Sunday. R. L. Alphin, bishop of the L. D. S. congregation is to leave the community in a few weeks.

Saturday being a holiday, Cashier Williams closed the local bank and he and Clerk Lyle Stringham enjoyed a "day off."

William Rollins arrived in Imbler Sunday after visiting in Arkansas for about two months.

We received a card from P. M. John Witty saying he would be home Wednesday. Mr. Witty went to Kentucky just after Christmas to visit relatives, and is returning by way of Detroit and southern Canada. During his absence Mr. Prescott, a druggist from the Red Cross in La Grande has been very successfully accommodating Mr. Witty's patrons.

Saturday being the twelfth anniversary of Miss Vivian Wiggan's natal day, she celebrated the event by inviting her teacher D. C. Wilson and a number of friends to a "movie party." Those present included Misses Lucy McBride, Bessie Kasinger, Letha Byer, Roberta Lloyd, Zelma Taylor, Portia Westenskow, Delta Stringham, Bernice Weeks and Masters Bert Tucker, Clarence Westfall, Everett, Clarence Keown and Kenneth Billings.

Sunday was the 67th birthday anniversary of Grandma Conklin and a number of neighbors and relatives gathered at her home to aid the aged lady in celebrating the day.

Frank McKinnis, who lives near the Willow creek school north of Imbler, has had several severe attacks of asthma during the last few days. Although having been subject to the trouble from childhood, Mr. McKinnis had not been troubled lately till a cold caused the present attacks.

Frank Conklin, who has spent the winter working at Minam, recently suffered a mashed foot, necessitating his removal to the Enterprise hospital for a few days, but is now at work again.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

KNIGHTS GREET OFFICIAL.

Grand Chancellor Called Upon by Numerous Local K. of P.'s.

Grand Chancellor Willard C. Marks of the Oregon Grand Lodge of Knights of Pythias, was a visitor in the city yesterday and an informal reception was given in his honor at his rooms in the Foley hotel. The grand chancellor Friday night attended a roll call of Baker lodge, and Saturday night was present at a joint meeting of Pythian Sisters and Knights of Pythias at Union, where the grand chancellor had contemplated being present at the district convention which was cancelled due to bad weather and poor railroad transportation guarantees. After being received here informally yesterday he went on to Hermiston to visit the lodge there tonight and comes back to Pendleton tomorrow night.

A woman is so funny. She will dust little Willie's pants because she caught him in a fib, and then will tell the maid to inform an unwelcome caller that she is Not at Home.

So far it has not been proven that he meteor which shook parts of Ohio, Indiana and Kentucky was of German origin.

DO YOU FEEL HEADACHY LOOK TO YOUR STOMACH

It is an unusual thing for a druggist to sell medicine under a guarantee to refund the money if it does not cure. Yet this is the way La Grande Pharmacy, the popular druggists, are selling Mi-o-na, the standard dyspepsia remedy.

Never before have they had so large a number of customers tell them that a medicine has been successful as with Mi-o-na. People who a few months ago looked like walk-

ing skeletons have put on flesh and today are ruddy and vigorous with perfect digestion and good health. There is no longer any need for anyone suffering or making their friends suffer on account of dyspepsia. Mi-o-na can always be relied upon. The percentage of cures is so great that there is little risk to them in guaranteeing to return the money if the medicine does not relieve. And they stand ready to do so without any questions.

Headaches, all forms of indigestion, specks before the eyes, dizzy feelings, and all forms of liver trouble are helped by Mi-o-na. A few days' treatment should show considerable gain in health while a complete cure often follows rapidly.—Adv. 11-2-15

DOCTOR SAVES A BLACKSMITH

Some time ago I was taken with Kidney trouble which caused me to give up my work as blacksmith. I lost my appetite and could not sleep, from the dreadful pains that would come over me, from my kidneys. I was treated by a physician for about three months. He could not help me so finally he prescribed Dr. Kilmer's Swamp-Root. I started taking same and before I had finished taking the first bottle I began to eat and sleep better than I had in a long time. I continued to take same until I was entirely cured and took on considerable weight.

I am now back working at my trade again and never felt better in my life. I appreciate what Swamp-Root has done for me and will recommend it to anyone who suffers with their kidneys. When physicians fail to give relief and then prescribe Swamp-Root, they sure know of its merits. I am, Very truly yours, S. A. HALE.
