## HAVE SECURED NEW SERVICE

BIG ADDITION TO PHOTOPLAY ATTRACTIONS.

Arcade Signs Contract for Famous Triangle Plays.

Meiers and Leiter, owners of the Arcade theatre, have just closed a contract for the highest priced film service on the market. This service has been secured through the efforts of the Arcade management after witnessing a number of the plays at the Columbia theatre in Portland.

William A. Mead, special representative of the Triangle Film Corporation, was in town today for the express purpose of closing this contract.

Mr. Mead states that his corporation was succeeding in placing their service in the foremost theatres in each city. The producing end is under the special supervision of D. W. Griffith who attained an international reputation as the producer of "The Birth of a Nation"; Thomas H. Ince who produced "An Alien," "The Battle of Gettysburg" and other well known plays; Mack Sennett producer of the famous Keystone Comedies. This trinity of well known producers is constantly engaged in producing the plays of the Triangle program. Some of the best known actors and actresses have been engaged for long periods to work under the direction of Messrs. Griffith, Ince and Sennett. Among these may be mentioned, Sir Henry Beerbohm Tree, Mary Anderson, Enid Markey, Roscoe (Fatty) Arbuckle, Mabel Normand, Fred Mace, Douglas Fairbanks and a host of others. At the Knickerbocker Theatre, in New York, which is the home of Triangle plays an admission fee of \$2.00 is charged.

Same photoplays shown in New York will be shown at the Arcade as soon as service can be supplied. In closing this contract the management stated they appreciate the fact that they owe it to the patrons of their house to secure for their benefit the cleanest and best dramas and comedies that could be purchased.

This they have done said Mr. Mead therefore they deserve the hearty support of all lovers of clean, wholesome photoplays.

The Arcade is now using Paramount pictures which will continue and with the combination of Triangle features will form the finest program on the market.

### OATS SMUT PREVENTION.

Losses in that Cereal Greater Than All Others Say Critics

Washington, D. C. Feb. 18.—The average annual losses from smut in oats are greater than those caused by any other preventable cereal disease in the United States. Treating the seed with hot water or with formaldehyde solution before sowing is an easy, cheap, and effective way of preventing this disease. The latter method which is the one most available for general use, is here briefly summarized. Both methods are described in detail in Farmer's Bulletin 507, which will be sent free on application to the Secretary of Agriculture, Washington, D. C.

Mix the formalin (a commercial preparation which is 37 per cent formaldehyde by weight) with water at the rate of 1 pound (a little less than a pint) to 40 gallons of water. The gain may be either loosely inclosed in sacks or put loose into a tub or vat with the solution. Agitate the sacks or stir the loose grain occasionally so that the entire surface of every grain will be thoroughly wet.

Instead of being immersed the seed oats may be spread on a clean floor or canvas and sprinkled with the solution and shoveled over during the process so that they will be wet evenly as in the other method. Not over a gallon of solution will be needed for every bushel of dry grain. After sprinkling, shovel the seed into a pile, cover it with sacks wet with the solution, and allow it to stand for at least two hours before spreading it out to dry.

Precaution: The oats may be seeded as soon as dry enough to run through the drill. If the seed is still moist, however, the drill must be set to sow more to the acre than if it is dry. The quantity which should be sown may be determined by measuring a given bulk and after treatment and figuring the proportion of increase. After treating do not expose the seed to freezing until it is thoroughly dry.

Do not allow the treated seed to come into contact with old sacks, bins or machinery in which there may be smut spores. If such must be used, scald them or wash them first with the formaldehyde solution.

### Live Up Your Torpid Liver.

To keep your liver active use Dr. King's New Life Pills—They insure good digestion, relieve constipation, and tone up the whole system—keep your eye clear and your skin fresh and healthy looking. Only 25c at your druggist.

### Severe Cold Quickly Cured.

"On December first I had a very severe cold or attack of the grip as it may be, and was nearly down sick in bed," writes O. J. Metcalf, Weatherby, Mo. "I bought two bottles of Chamberlain's Cough Remedy and it was only a few days until I was completely restored to health. I firmly believe that Chamberlain's Cough Remedy is one of the very best medicines and will know what to do when I have another cold." Obtainable everywhere.

## SUCCESS OF A NEW REMEDY FOR BACKACHE, KIDNEYS, RHEUMATISM.

Dear Mr. Editor—I suffered for years with backache. Last March I tried "Anuric" and have used this new kidney medicine recently discovered by Dr. Pierce, and it was wonderful the way it eased the pain and gave me relief in such a short time. I have tried several medicines, but "Anuric" is the only one that gave satisfaction. I feel it my duty to recommend "Anuric Tablets" to any one who suffers as I did.  
(Signed) MRS. MARGARET E. SNIDER.

NOTE: Folks in town and adjoining counties are delighted with the results they have obtained by using "ANURIC," the newest discovery of Dr. Pierce, who is head of the INVALIDS' HOTEL and SURGICAL INSTITUTE, in Buffalo, N. Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort and new strength they obtained from Dr. Pierce's Anuric Tablets. To prove that this is a certain uric acid solvent and conquers headache, kidney and bladder diseases and rheumatism, if you've never used the "Anuric," cut this out and send ten cents to Doctor Pierce for a large sample package. This will prove to you that "Anuric" is thirty-seven times more active than lithia in eliminating uric acid—and the most perfect kidney and bladder corrector. If you are a sufferer, go to your best druggist and ask for a 50-cent box of "Anuric." You run no risk for Dr. Pierce's good name stands behind this wonderful new discovery as it has for the past half century for his "Golden Medical Discovery," a general tonic made from roots with pure glycerine which makes the blood pure, his "Favorite Prescription" for weak women and "Pleasant Pellets" for liver ills.
