**RELIEVES THE WORST
 CASES OF CATARRH**

Think "Hyomei the Most Wonderful Treatment for Catarrh Ever Discovered."
 Do not try to cure catarrh by using sprays or lotions; it cannot be cured in that manner. The only way in

which in this too common disease can be fully relieved is through a direct application to the affected parts that will kill the bacilli of catarrh and prevent their growth.
 Breathing the air of Hyomei is the only known method of treatment that can really accomplish this. It is the simplest, most pleasant and probably the most reliable treatment for catarrh that has ever been discovered.
 The complete Hyomei outfit is inexpensive and consists of an inhaler, dropper and sufficient Hyomei to last several weeks. This will effect in-

stant relief in ordinary cases, but for chronic and deep-seated cases of catarrh, longer use may be necessary, and then an extra bottle of Hyomei can be obtained for a trifling sum. It is not alone the best (it might be only) method of treating catarrh, but it is also the most economical.
 The La Grande Pharmacy has so much confidence in the power of Hyomei to relieve catarrh, that they will for a limited time, sell this medicine under their personal guarantee to refund the money if the purchaser can say that it did not benefit.—Adv

**HERE IS YOUR OPPORTUNITY TO
 TRADE YOUR CITY PROPERTY
 80 or 160 Acres of
 Logged Over Farming Land**

We have a tract of 80 or 160 acres of logged over land well watered, and good farming land priced at \$15 per acre that we can trade for city property.

This place has been cut over several years. There is plenty of timber for wood, building, fencing, etc., on the place

**STORE ABOUT
 COMPLETED**

**LEVY-VOGEL DRUG CO. MAKING
 MANY CHANGES.**

Public Rest Room a Feature of the New Store in La Grande.

"We are just about ready to assure the public that our store has finally been completed in the interior re-arrangement," said Gus Levy today to a reporter for the Observer.

Mr. Levy is manager of the Levy-Vogel Drug Co. which purchased the Newlin Drug Co. several weeks ago on the corner of Depot and Adams. The firm is composed of Gus Levy, for many years manager of the Union Drug Co. at Union, and Will Vogel, who for a long time has been associated with W. J. Townley in the mercantile business at Union. The two boys are well known throughout Union county and besides operating their new store in La Grande they will continue to handle the store in Union.

Many Improvements Made.
 A complete overhauling and general re-arrangement of the interior of the store followed the change of ownership and modern drug fixtures have been installed. A rest room for the public is a feature of the new store and it is equipped with private telephone and other conveniences. The prescription department is under registered pharmacists only, according to Mr. Levy's statement today, and special attention is to be given the drug sundry line. The fountain will open as soon as the warm days arrive and it is intended to give the best of service with every sanitary convenience known to the dispensing of fountain drinks. The candy lines, as well as the cigar line has been amplified and increased.

A laboratory also has been equipped for manufacturing purposes.

"It is our intention to run a first class store," said Mr. Levy. "We are here for service and to give every one value received for their money. If long experience in the drug line and faithful work will win the confidence of the people, we will be sure of that confidence."

Saloons Now Y. M. C. As
 (By United Press)

Denver, Feb. 17.—Colorado under prohibition is more prosperous, less inclined to get locked up in jail and better off in many other ways, according to dry reports from all parts of the state today after nearly two months experience with the dry law. In the Rockefeller mining camps the saloons have been converted into Y. M. C. A. buildings, in a few instances. The Rockefeller company advised its miners to cut out booze entirely. Supplies in cellars are beginning to grow scant and a half a dozen mail order houses in Cheyenne, Wyo., report their Colorado business booming. Some of the men who engaged in the mail order game just before Colorado went dry were poor but prohibition has literally made them rich off selling whiskey.

Eugenics Now Up to the Hen.

Columbus, O., Feb. 17.—It's up to the hen to go in for eugenics! The word has gone out from dealers that only eggs of a certain size, color, shape and weight are desirable. Hens belonging to chicken families not producing according to these plans and specifications are to get the ax.

"Who were your father and mother?" Upon the hen's answer will depend her chance of living. Ohio egg experts declare the dealers will have nothing but eggs popular in their particular section and uniform in size for packing purposes. There is no difference in the taste or food values of different eggs but the color must satisfy the whims of the buyer and the size must fit the crates. New York won't accept eggs with brown shells and Boston won't take those with white shells. The experts have agreed that a dozen eggs should weigh not less than 24 nor more than 28 ounces. The egg should have a large diameter one and one-fifth times the smaller, and should not be short or round or long-pointed. They should be uniform in color, have strong smooth shells and be free from cracks and transparent spots. And the hens better follow these or they will be massacred.

**Hello! You with Coughs
 Here's Speedy Relief**

Stop the racking and hacking, raise the phlegm, heal the soreness with **Foley's Honey and Tar Compound.**

"Just like oil on troubled waters," is the way one grateful woman describes the benefit of **Foley's Honey and Tar Compound.**

It spreads a soothing, healing coating over the raw inflamed throat—it loosens the hack—raises the phlegm—and really works wonders.

Why hack, hack, hack—driving everybody almost crazy, using up your strength, weakening your vitality and inviting serious sickness when there's speedy, soothing, sure relief in **Foley's Honey and Tar Compound.**

"After using medicine from the doctor, without results, for my grandchildren, who were visiting me," says Mr. J. A. Shanks, of Lewisburg, Ind. "I had to get up and get a bottle of **Foley's Honey and Tar Compound** out of my store and give them. After a few doses were given they went to sleep and slept throughout the night without coughing. I have handed **Foley's Honey and Tar Compound** for more than eight years and always recommend it."

You'll find **Foley's Honey and Tar** at your druggists. Be sure to ask for **Foley's** and see that you get the yellow package. Nothing else will do the work that **Foley's Honey and Tar** will do. 25c, 50c and \$1.00 sizes.
