Advance Squad Arrives At Camp

Sacramento, Tex., Mar. 2.—The advance squad of the St. Louis Cardinals was scheduled to arrive here today. Seven pitchers and three catchers of the Mound City team under the wing of Manager Miller Huggins, trotted to the ball yard for preliminary workouts. The rest of the club should report not later than March 8. Unlike most of the major league clubs this year, Huggins has no Federal decision not to sign any athlete that played in the Gilmore circuit last year.

The St. Louis manager will not send his players through the regular spring workouts. He said too much work in the early season tended to make the players stale before the season was half over. He promised to show some new ideas in training. The Cards will be put through only light workouts while in the Southland. No exhibition games have been arranged and the St. Louis contingent will not lineup in a regular game until it reaches St. Louis March 25 for the opening game of Spring series with Fielder Jones' Fed-Brown aggregation. By next Wednesday Huggins' squad is expected to number thirty-nine men.

Girls to Learn Tub Work.

Rub a dub dub, rub a dub dub. Rah for the West Hi washing club! Tub and washboard, soap and suds. We'll show 'em how to wash our duds!

Akron, O., March 2.—Daughters of prominent Akron business men, millionaire rubber manufacturers and professional men today are learning by actual experience at West High School how washerwoman Bridget O'Rourke earns \$1.50 and two car tickets daily. After a yell somewhat like the above the fluffy ruffles of the school turn on the hot water spigots, slosh linen and lingerie into the tub, grab bars of soap and sail in. The washtub course is one of several designed to teach efficiency and develop capable housekeepers.

Schools to Observe Week. Island City and La Grande schools will celebrate Baby Week next Monday with programs and essays.

Will Decorate Stores. Businessmen of La Grande are entering into the spirit of Baby Week by promising to decorate their stores with considerable elaborateness, adhering as far as possible to a scheme harmonious with the week.
