

Good for Sore Throat

When your throat becomes slightly irritated—you neglect it for a few days—it increases in severity and becomes so sore you can hardly swallow—
 Be prompt in your treatment—you don't want it to become chronic and probably end in Tonsillitis or Quinsy—that would mean either an operation or prolonged treatment, and much suffering.
 Purchase a bottle of Nyal's Sore Throat Remedy and gargle the throat thoroughly—it allays all irritation, soothes and heals the inflamed membranes and prevents further infection

J. W. Terwilliger is over from his home in Milton and will go on to Enterprise where he has a deal on for the purchase of a piece of land. If this proposed transaction is closed he will probably again become a resident of this part of the state.

Kenneth Carpy has gone to Lewistown, Montana, where he will hold a position with the express company. His father, George Carpy formerly clerk in the United States land office at La Grande, is holding a similar job in Lewistown.

Mr. and Mrs. E. L. Harris, who have been spending the winter in Portland, were passengers this morning on their way to their home in Elgin. Mr. Harris says this country has nothing to suffer in the way of winter weather in comparison with what they have experienced in Portland. However, they were well pleased to have made the long stay as the change in altitude, alone, was something different to what they have been accustomed to for many years.

CHUCKLE—CHUCKLE—CHUCKLE

That's the First Symptom—Then You're Off.

"Excuse Me" at Sherry's starts you right from the first reel—keeps you chuckling until if you're only half way human you'll be screaming—getting away from Slap Stick Comedy—it will appeal to you—it's rich—get an idea of the story and see it—if you don't get one great big laugh—you're sick—Excuse Me.

Harry Mallory, U. S. A., receives orders to join his regiment which is to embark for the Philippines. The Overland Limited is the only train that will enable him to reach the coast in time to escape a court-martial. Having a little time to spare he persuades Majorie to elope with him and reserves two berths. They reach the train in time but haven't time to get married. "Little" Jimmy Wellington, who stands six-feet-two and weighs 350 in his stocking feet, guzzles too much, so his wife takes the Overland for Reno, telling him that she goes to Paris for the year. He gets sore and takes the same train for the same place, and for the same purpose. The Reverend Doctor Temple, tiring of the monotony of Ypsilanti, elopes and takes the Overland through to the coast. There's another girl aboard—a former sweet-

heart of Mallory's. With this cargo in charge of a worthy porter, they start. The happening en route are screamingly funny. See the outcome at Sherry's today only.
