FRENCH GUNS AT VERDUN; MAP OF GERMAN ADVANCE

The French line north of Verdun at the beginning of the present German offensive ran from the Meuse, at a point north of Consenvoye, in a semicircle into the woods to the northeast and turned southward well north of Beaumont, continuing to the southeast, north of Ornes, to Foromezay and Busin.

# BABY TESTS TO OPEN THURSDAY

STATE PRESIDENT AND EUGENICS WIZARD COME

Everything In Readiness—Promptness Urged Upon All

With Mrs. McMath, president of the Oregon Congress of Mothers and Parent-Teacher associations, and Mrs. Bayly head of the eugenics department, in Union county today, and with local committees set, and ready to go to work on the biggest and most scientifically conducted eugenics test ever held in the county, there remains only some eleventh-hour announcements to make the event here tomorrow complete in all its phases. The tests under Mrs. Bayly, recognized as the most proficient in the science in the northwest, begin at 9:30, and only such mothers as have their babies entered can attend this particular function. This is to avoid needless confusion, but on the following day she will be ready to counsel anyone, regardless of their entry in the baby tests. She will be at the library to answer any question put to her. The two Portland women arrived in La Grande this morning and went on to Union and Cove where they conducted similar tests in a smaller way than the one to be held here.

Mrs. A. L. Richardson, generalissimo in charge of local tests, has worked several months, in conjunction with her fellow committeemen, again has reminded that all mothers come with their babies at the hours assigned and that all committees and assistants report at the hours designated. The list of committees is:

Morning physicians—Drs. Dora Underwood, G. L. Biggers, M. K. Hall, R. E. L. Holt. Afternoon—Drs. A. L. Richardson, H. L. Underwood, C. T. Bacon, J. P. Graham, and C. H. Upton.

Mental test: Morning—Mrs. John Thiesen. Afternoon—Mrs. Stella Ingle.

Weighing committee: Morning—Dr. Margaret Ingle. Afternoon Mrs. F. G. Schilke.

Scoring: Morning—Mrs. A. R. Hunter, Mrs. L. A. McAllister, Mrs. Archie Bacon. Afternoon—Mrs. J. K. Wright, Mrs. G. M. Byrkit and Mrs. C. P. Ferrin.

Secretaries: Morning—Mrs. T. J. Scroggin. Afternoon Mrs. D. M. Clark.

Dentists: Morning—W. D. McMillan. Afternoon—Dr. Mossman and Dr. Brownson.

Assistants to mothers with children: Morning—Mrs. C. D. Putman, Mrs. H. M. Bovey. Afternoon—Mrs. M. K. Hall, Mrs. W. H. Talbot.

Assistant to physicians, Mrs. Earnest C. Carse.

Warm, comfortable quarters, ample help, and every possible convenience for the mothers will be provided. Entrance fees of 25 cents are payable to the secretaries at the door.

### Parole Board To Make Trusties

Salem, Or., March 7.—Hereafter, before a prisoner can be made a "trustee," his case must be passed on by the parole board, according to a ruling adopted by the board at its meeting here yesterday afternoon.

Previous to this, the policy has been for the warden and deputy warden to make a prisoner a "trustee" at their discretion. This resulted at times in the board being put into an embarrassing position when the prisoner applied for his parole because of his past record. Under the new policy, a prisoner's past record will be investigated first, and, if it warrants the board in making him a trustee, it need have no hesitancy in paroling him, if he has made good.
