AT THE MOVIES

AT SHERRY'S.

THEDA BARA IN "DESTRUCTION" AT SHERRY'S TODAY ONLY

This photoplay, which was written by Nikola Daniels and directed by W. S. Davis, deals with the soul-consuming miseries of the workers exploited by a certain capitalist class. And yet the production is not depressing or anti-capital in its tone, for it is lightened by subtle comedy touches and it heralds the dawn of a greater spirit of conscientiousness between employer and employee.

"Destruction" is an educational photoplay; educational from the artisan's viewpoint as well as from that of the student of economics. Were it not for the dramatic story woven throughout its many scenes, it might pass for one of the greatest of industrial films, for much of its action takes place in one of the largest steel mills in the country. The blending of the industrial and the narrative sides of the picture, however, is exceptionally well done and neither suffers thereby.

AT THE ARCADE.

GERALDINE FARRAR IN TEMPTATION.

Those who saw Geraldine Farrar, the celebrated prima donna, in the Jesse L. Lasky photodrama version of her famous opera "Carmen," have another treat in store when she appears in "Temptation," at the Arcade tonight and tomorrow.

As "Carmen," Miss Farrar was seen as the fascinating half-wild, wholly cruel, heartless gypsy. In "The Temptation," written especially for her by Hector Turnbull, she is seen in a totally different characterization—that of a true and sympathetic sweetheart of a poor composer. It is a Paramount picture.

As Renee Dupree, the cafe singer

who is offered the triumphs and glories of an operatic career, but spurns them rather than lose her sweetheart's love, this brilliant woman is seen at her best. Gone is the thirst for excitement, the shrug and smirk of the adventuress, and instead is the deep affection, sympathy and respect of a sincere woman. Miss Farrar showed her wonderful ability as a dramatic actress in "Carmen," and she is still more wonderful in "The Temptation."

Supporting the prima donna is a cast of careful selection and unusual excellence.

As in "Carmen" nothing has been spared on the production. The scenes in the opera house are correct in detail and magnificent in scope.

Rank Foolishness.

You occasionally see it stated that colds do not result from cold weather. That is rank foolishness. Were it true colds would be as prevalent in midsummer as in midwinter. The microbes that causes colds flourish in damp, cold weather. To get rid of a cold take Chamberlain's Cough Remedy. It is effectual and is highly recommended by people who have used it for many years as occasion required, and known its real value. Obtainable everywhere.

Most Eminent Medical Authorities Endorse It.

Dr. Eberle and Dr. Braithwaite as well as Dr. Simon—all distinguished authors—agree that whatever may be the disease, the urine seldom fails in furnishing us with a clue to the principles upon which it is to be treated, and accurate knowledge concerning the nature of disease can thus be obtained. If backache, scalding urine or frequent urination bother or distress you, or if uric acid in the blood has caused rheumatism, gout or sciatica or you suspect kidney or bladder trouble just write Dr. Pierce at the Surgical Institute, Buffalo, N. Y.; send a sample of urine and describe symptoms. You will receive free medical advice after Dr. Pierce's chemist has examined the urine—this will be carefully done without charge, and you will be under no obligation. Dr. Pierce during many years of experimentation has discovered a new remedy which he finds is thirty-seven times more powerful than lithia in removing uric acid from the system. If you are suffering from backache or the pains of rheumatism, go to your best druggist and ask for a 50-cent box of "Auric" put up by Dr. Pierce. Dr. Pierce's Favorite Prescription for weak women and Dr. Pierce's Golden Medical Discovery for the blood have been favorably known for the past forty years and more. They are standard remedies to-day—as well as Doctor Pierce's Pleasant Pellets for the liver and bowels. You can get a sample of any one of these remedies by writing Dr. Pierce.

Doctor Pierce's Pellets are unequalled as a Liver Pill. One tiny, Sugar-coated Pellet a Day. Cure Sick Headache, Bilious Headache, Dizziness, Constipation, Indigestion, Bilious Attacks, and all derangements of the Liver, Stomach and Bowels.
