Paper Mill's Product to Be Shipped. Marshfield, Ore., March 7.—One thousand tons of pulp, the last that remains of the output of the Coos Bay pulp and paper mill, will be shipped to San Francisco next week on the steamships Adeline Smith and Nann Smith. The demand for pulp is on the increase and there is a possibility now that the big \$1,000,000 plant here will be put into operation again. It has been closed for more than a year.

**Long Engagements Dangerous**

(Atchison Globe)  
After a girl has landed her man let her hasten to the wedding day; long engagements are dangerous. There is the case of Miss Ada Warner, 41 years of age, and Norri H. Powell, aged 43, both of Findley Ohio. Twenty one years ago they became engaged. The bride-elect dilly dallied along without setting the wedding day. After many years her lover decided not to have any wedding day and she promptly sued him for breach of promise, but lawsuits move slowly and Ada took the matter into her own hands; she shot the man who had promised to marry her 22 years ago and then slashed her own throat. Both will live, but the wedding day is as far off as ever.

**DRINK SIX GLASSES OF WATER DAILY**

An Interesting Statement by One of the Big Men in the Drug Business

A. E. KIESLING of Houston, Texas, says: "If you have a muddy complexion and dull eyes, you are constipated. Six glasses of water daily and one or two Rexall Orderlies at night will correct this condition and make you 'fit as a fiddle.' Rexall Orderlies, in my opinion, are the best laxative to be had, and can be taken by men, women or children."

**Distinguishes the BEST from the REST**

YOU generally find out about the quality of motion pictures after you have paid your money.

You should know about them before you take your seat.

Here's how to identify at least one kind of high class pictures—

**Paramount Pictures**

Look for the Paramount trademark in the theatre lobby or in the amusement columns of your local paper.

Look for nationally known players in the productions of *The Famous Players Film Co.*, *Jesse L. Lasky Feature Play Co.*, *The Oliver Morosco Photoplay Co.*, and *Pallas Pictures*.

Look for the best in literature, music and drama presented on the screen at ten to fifty cents—and there you have Paramount Pictures.

If Paramount Pictures are not shown in your neighborhood ask your favorite theatre to get them.

**Send for This Motion Picture Magazine**

Send 10 cents for a three months' trial offer of *Picture Progress*, a magazine filled with stories, photos, questions and answers and articles by and about your favorite Motion Picture Players. Address your letter to Department C-18.
