MODART CORSETS
Front Laced

HAVE YOU MADE THIS TEST OF YOUR CORSET?

DO YOU feel occasional languor, intervals of listlessness, intermittent indigestion an intense relief at the moment of uncorseting?

If you feel these symptoms you are developing a premature matronly figure, sacrificing health for fashion. Women who wear MODARTS never feel these warnings. For the Designer of MODART Corsets is generally conceded to be the foremost corset designer in the world. Every smart effect he creates must also meet his approval as an anatomist. So, if you seek to improve your figure—if you seek to gain new grace of carriage—if you seek to promote your health and comfort and at the same time conform with prevailing styles—then we urge you to have a trial fitting.
