Tuesday and Wednesday Mrs. A. L. Richardson entertained at her home in the afternoon in an informal manner to a few intimate friends. On the first day the occasion was made pleasant by the playing of bridge, at which Mrs. Bruce Dennis won head prize. Delicious luncheon, corresponding in color scheme to that prevalent on the dining table—namely, pink and white—was served to the guests who numbered enough for four card tables. The following afternoon Mrs. Richardson entertained at an informal Kensington, again serving refreshments from a table made artistically beautiful with decorations similar in color and nature to the previous day. Mrs. Cornelia Baker Carse was honor guest at both occasions, the functions being compliments to her.

The ladies of the Hachlen club entertained their husbands and children with a three-course 7 o'clock dinner at the cozy home of Mr. and Mrs. C. E. Duffey, on Cherry street, Thursday evening. The home was tastily decorated in St. Patrick colors. After dinner a very pleasant evening was spent in special music and dancing. All departed for their homes expressing appreciation of a very enjoyable evening. The members of the club are Mesdames A. L. Voelz, M. A. Smith, Fred Smith, C. W. Bunting, O. L. Wall, C. E. Duffey, Ella Mason, G. L. Terry, Jas. Hugh, Jas Nelson, A. Wright and L. D. Noah.

Probably the largest attended meeting of the Loyal Sisters of the Christian church have had, was enjoyed Thursday afternoon when a business and social session of that body of women was held at the home of Mrs. C. E. Duffey, 205 Cherry street. Thirty-four were present. After the business affairs had been transacted and a social hour spent, Mrs. Duffey served an appetizing luncheon of two courses. These meetings are frequent, but it is seldom that as much interest is demonstrated as was the case in this instance.

Miss Hellen Aikine who makes her home with her niece, Mrs. William B. Sargent, 1906 Second street, was complimented by Mrs. Sargent Wednesday afternoon with an informal afternoon at sewing to which Mrs. Sargent had invited in a few neighbor acquaintances. It was the birthday anniversary of Miss Aikine. After an afternoon of sewing and visiting, Mrs. Sargent served a two-course luncheon to the guests. Several beautiful remembrances and gifts were bestowed upon the honor guest.

Nearly 20 "young men" are attending a stag theater party this afternoon as guests of Norman Dudley (Bonnie) Jesse who is today celebrating his seventh birthday anniversary. The stag began with a trip to Charley Chaplin's show, and that is to be followed later today by games and refreshments at the D. H. Jesse home where Bonnie boards.

The P. O. E. was entertained this

week by Mrs. J. D. McKennon. The topic for discussion was "Current Events" After the regular program Mrs. McKennon and Mrs. J. W. Knowles served dainty refreshments to the order's members.

The Baptist Women's Outlook Circle met at the home of Mrs. Day Friday afternoon for a business and social meeting. There was a large attendance including several visitors. Dainty refreshments were served and all enjoyed a pleasant afternoon.

Mr. and Mrs. Walter Bach entertained the Leap Year Five Hundred club last Saturday evening. At cards high score was attained by Mrs. C. D. Miller. Mrs. Bach served a delicious luncheon and the evening was extremely pleasant from every viewpoint.

The bi-monthly session of the Parkdale club will meet Wednesday, March 22d, with Mrs. Ella Rynearson at her home north of the river.

The L. D. S. Relief Society celebrated their 74th anniversary Thursday the 16th. A splendid program was rendered by the old people as it was made the occasion of an old Folk's Day. There were recitations, readings

singing, etc., all well received and enjoyed by all present. The exercises began at 4 p. m., and after the program they all adjourned to the Ward Amusement Hall and partook of a bountiful supper. The evening was spent in dancing participated in by both the young people and the old.

Everybody was young this night. There were about 200 present and all said "Repeat."

Page Woven Wire Fence

The Worlds Strongest Fence and the Reasons Why, A Clear Title to the Claim

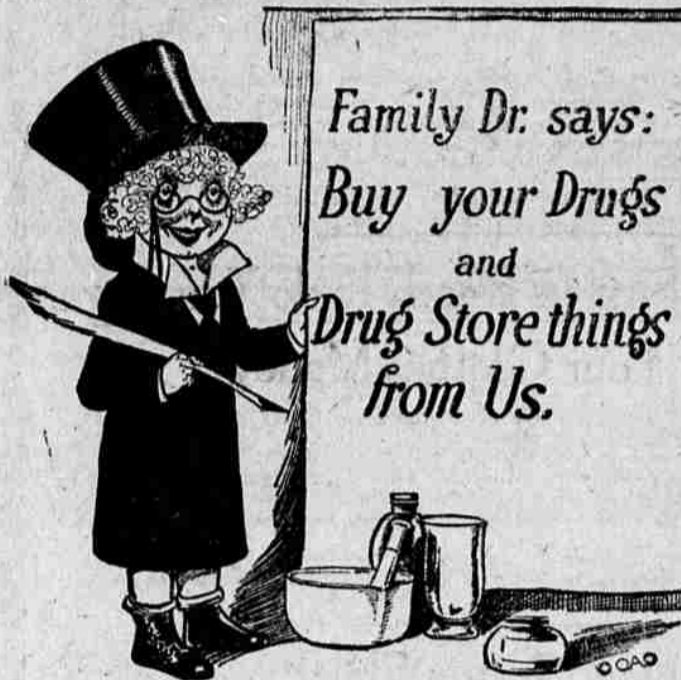

"The Best Fence on Earth"

PAGE WIRE contains at least 50 per cent more carbon, is at least 50 per cent stronger and carries at least 50 per cent more weight of galvanizing than the wire used in any other fence of which we have any knowledge. It is drawn from Open Hearth Steel, the best made for the purpose. It is not made for the uncertain demands of the general market, but especially for Page Fence. It is therefore right, uniform in quality, and of a grade much higher than is specified for competing fences. PAGE GALVANIZING. Too much emphasis cannot be put upon the character of the protective coating of fence wire. Page Wire carries as heavy a covering of spelter as it is mechanically and commercially possible to apply to fence wire, and of the highest grade obtainable. PAGE WEAVE. Page Fence is not stuck nor tied together, nor cut into short sections and wrapped together, but consists of continuous wires, both horizontal and perpendicular, actually woven, the one with the other, every foot receiving hand labor. The Page knot is the only real knot applied to wire fence construction, and has no equal for smoothness and strength.

We have just received a new car load and respectfully solicit your orders.

Miss Margaret Zweifel and Miss Elma Bay, daughters respectively of Mr. and Mrs. Nathan Zweifel and Mr. and Mrs. Frank Bay, were genial hostesses this afternoon at the home of Miss Zweifel on East Adams avenue. The affair was in the nature of a celebration of their eighth birthday anniversary, they being of the same age. About 25 little folks were invited in to help celebrate the occasion in a correct and fitting manner. Their

Ask the Lehigh Dealer

Before you do any building or remodeling, see the Lehigh Dealer. You'll find him the progressive dealer in your community, who can give you practical advice and tell you which materials are best suited for your purpose.

Ask him why he sells Lehigh, the National Cement. He will tell you because he knows it to be absolutely dependable. It's only logical that he selects his other materials with the same care and judgment.

Ask him some of the ways you can use concrete to advantage. Right now there are probably half a dozen repairs and real improvements to your property that you could best build of concrete.

Concrete is the fire and weather resisting material for practically every kind of construction. Its uses include houses, garages, factories, barns, dairies, elevators, silos, porches, steps, foundations, troughs, feeding floors, fence posts, sidewalks, streets, curbs, roads, bridges, piers, culverts, cisterns, ice houses, and a hundred others. It is the material for you.

Remember the name LEHIGH, go to the Lehigh dealer. Buy Lehigh, the National Cement; the cement for all concrete work; the dependable cement; the kind that will give you lasting satisfaction.
