CHANGES COME IN VEGETABLES

SOME KINDS HIGHER, OTHERS LOWER
Sweet Potatoes In Small Lots, Bring Fancy Prices
Head lettuce is going up a trifle, while green peppers are cheaper, and butter brings 75 instead of 80 cents per two-lb. roll. While these changes are going on in vegetable lines, sweet potatoes are coming forward in drabbles, being on the last of the season, and while of good quality, are quite high. Home-grown spinach is quite common these days, and is of first-class quality.

A Plaint
Do you remember, at the old, one-ring circus, the acrobat who used to balance himself on a tight rope over our heads and remove his garments, one by one? He wore a dozen different costumes and peeled them off leisurely until he appeared in pink tights with green spangled turnks. Then he climbed down, and the elephants came in.
I wonder when Woodrow Wilson will get through peeling?—D. H. S. in the New York Sun.

As The Years Pass

Every individual faces declining years and diminished earning capacity. Statistics show that only five men out of each one hundred are able to live on their incomes at the age of sixty. The other ninety and five are dependent upon their daily earnings, then relatives, friends or public charity for support. A Savings Account consistently maintained in The United States National Bank and earning 4 per cent interest, is a most effective means of preparing for independence and comfort in later years.

DON'T NEGLECT KIDNEYS
Swamp-Root, Dr. Kilmer's Prescription, Overcomes Kidney Trouble
It is now conceded by physicians that the kidneys should have more attention as they control the other organs to a remarkable degree and do a tremendous amount of work in removing the poisons and waste matter from the system by filtering the blood.
The kidneys should receive some assistance when needed. We take less exercise, drink less water and often eat more rich, heavy food, thereby forcing the kidneys to do more work than nature intended. Evidence of kidney trouble, such as lame back, annoying bladder troubles, smarting or burning, brickdust or sediment, sallow complexion, rheumatism, maybe weak or irregular heart action, warns you that your kidneys require help immediately to avoid more serious trouble.
An ideal herbal compound that has had most remarkable success as a kidney and bladder remedy is Dr. Kilmer's Swamp-Root. There is nothing else like it. It is Dr. Kilmer's prescription used in private practice and it is sure to benefit you. Get a bottle from your druggist.
However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the La Grande Daily Observer.

MODART CORSETS Front Laced
HAVE YOU MADE THIS TEST OF YOUR CORSET?
DO YOU feel occasional languor, intervals of listlessness, intermittent indigestion an intense relief at the moment of uncorseting?
If you feel these symptoms you are developing a premature matronly figure, sacrificing health for fashion. Women who wear MODARTS never feel these warnings. For the Designer of MODART Corsets is generally conceded to be the foremost corset designer in the world. Every smart effect he creates must also meet his approval as an anatomist. So, if you seek to improve your figure—if you seek to gain new grace of carriage—if you seek to promote your health and comfort and at the same time conform with prevailing styles—then we urge you to have a trial fitting.
