

FRANK MORAN READY TO MILL

TOMORROW NIGHT'S FIGHT
GREAT TEST

Pittsburg Scrapper Has Cinch On Big
Purse Anyway

New York, March 24.—Frank Moran, the red-haired, bull-necked challenger of Jess Willard is ready for the fight of his life.

In every fibre of his being the Pittsburg heavyweight today felt confident of beating Willard tomorrow night before a mammoth crowd in Madison Square Garden, and sending his name down in pugilistic history as one of the greatest fighters the game ever knew.

On the big fight depends Moran's status in the annals of the game. If he sprays Willard's six feet six inches of length on the canvas tomorrow night it is a safe bet that the daddy of the future will take little Willie on his knee and point out the moral of "the bigger they are the harder they fall," with Frank Moran play-

ing the stellar role in the narrative. If Willard drops Moran then Frank's name won't amount to much more than an incidental entry in the game of pugilism.

Moran is trained to the minute, hard as a stony-hearted village squire and beaming with health and strength. He has had everything on the training program from hard outdoor work to exercise with the chest weights and long sessions of sparring with his training mates. Frank Moran is ready.

Moran and his manager, Ike Dorgan, present an old combination in the fight game. They are friends inseparable and what Ike says goes with Moran for the good of the combination.

Moran has prospered under Dorgan's management. He received \$6,900 for his first fight with Jim Coffey in which he flattened the man from Cork in three rounds; for the second bout he received \$9,994, which was \$1,994 more than the garden people were willing to offer at first.

For fighting Willard, Moran is to get \$23,750, just \$8,750 more than the first offer for his services in tomorrow's bout.

BIG MEET IS NEAR

Oregon Agricultural College Meet To Set Marks, Expected

Corvallis, Ore., March 24.—The vanguard of approximately 200 athletes from all parts of the Pacific coast was assembling in Corvallis today for the first annual indoor track and field championships of the Far Western Association.

The events, which will bring together the crack men of the Pacific coast, will be staged in the armory of the Oregon Agricultural College. T. Morris Dunne, secretary of the Pacific Northwest Association, will referee the meet.

Some of the colleges and clubs which have entrants in the meet are: University of Washington, University of Idaho, University of Oregon, Washington State College, Whitman College, Multnomah Amateur Athletic club, Los Angeles Athletic club, University of Southern California, University of California, Stanford University and the Olympic club.

Idaho is banking on Morrison, who is credited with doing the hundred in 9.4-5 seconds, to make several points in the sprints. The half mile will bring together Bonnett of Stanford, holder of the coast record, Nelson of Oregon, Coleman of O. A. C., and Massey of Idaho. The Olympic club looks to Millard to win the five mile run, though he will have to beat Hobbard of Oregon to do it. These two gave Kohlemainen a run for his money in San Francisco last year. These are but a few of the entrants with past records at stake.

Dangers of Draft.

Drafts feel best when we are hot and perspiring, just when they are most dangerous and the result is Neuralgia, Stiff Neck, Sore Muscles or sometimes an attack of Rheumatism. In such cases apply Sloan's Liniment. It stimulates circulation to the sore and painful part. The blood flows freely and in a short time the stiffness and pain leaves. Those suffering from Neuralgia or Neuralgic Headache will find one or two applications of Sloan's Liniment will give grateful relief. The agonizing pain gives way to a tingling sensation of comfort and warmth and quiet rest and sleep is possible. Good for Neuritis too. Price 25c at your Druggist.

Today's Oddest Story

Boston, March 24.—Dr. Samuel A. Eliot, member of the United States board of Indian commissioners, declared today that Minnehaha has turned milliner and that the Indian women and girls of the southwestern reservations are rapidly acquiring the art of hatmaking. Also they have turned from the gaudy hues that delighted the heart of the old warrior and now prefer modest shadings. Dr. Eliot is just home from a trip through the west.

THE NEWEST REMEDY

FOR
Backache, Rheumatism and Dropsy.

Kidney, Bladder and Uric Acid troubles bring misery to many. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently, and the poisons are carried to all parts of the body. There follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and loins, distressing bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms into gravel or kidney stones. When the uric acid affects the muscles and joints, it causes lumbago, rheumatism, gout or sciatica. This is the time to try "Anurie."

During digestion uric acid is absorbed into the system from meat eaten, and even from some vegetables. The poor kidneys get tired and backache begins. This is a good time to take "Anurie," the new discovery of Dr. Pierce for Kidney trouble and Backache. Neglected kidney trouble is responsible for many deaths, and Insurance Company examining doctors always test the water of an applicant before a policy will be issued. Have you ever set aside a bottle of water for twenty-four hours? A heavy sediment or settling sometimes indicates kidney trouble. The true nature and character of diseases, especially those of the kidneys and urinary organs, can often be determined by a careful chemical analysis and microscopic examination—this is done by expert chemists of the Medical Staff of the Invalids' Hotel. If you wish to know your condition send a sample of your water to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., and describe your symptoms. It will be examined without any expense to you, and Doctor Pierce or his Staff of Consulting Physicians will inform you truthfully.

KNOW YOURSELF!

Read all about yourself, your system, physiology, anatomy, hygiene, simple home cures, etc., in the "Common Sense Medical Adviser," a book of 1008 pages. Send to Dr. V. M. Pierce, Buffalo, N. Y., three dimes or thirty cents in one-cent stamps for a cloth-bound copy.
