### PALMER VALLEY

Grass Is Making Good Showing in the Bare Spots

Palmer Valley, March 25.—(Special)—Messrs. Hohn, Bichett, Sterner, Nicolet and Mason were among the visitors to the Junction this week.

Mr. Hohn has bought a new Hirk-lust stump puller and will be busy with it on his ranch his summer.

Ben Harold has shipped in some wire for fencing the 40 acres he bought last fall. He went to the station after the wire and found the roads washed out and was unable to bring it home at present.

Mr. Birchett made a business trip to Elgin with a team this week.

We had quite a snow the latter part of the week, and this was followed by a rain. Water is running everywhere and has cut the roads down the canyon so that it is hardly possible to travel with a team with an empty wagon. There is still quite a little snow left, in some places two feet, while the north hill sides are still covered. Where the snow is gone the grass is looking fine.

# As The Years Pass

Every individual faces declining years and diminished earning capacity. Statistics show that only five men out of each one hundred are able to live on their incomes at the age of sixty. The other ninety and five are dependent upon their daily earnings, then relatives, friends or public charity for support. A Savings Account consistently maintained in The United States National Bank and earning 4 per cent interest, is a most effective means of preparing for independence and comfort in later years.

## MODART CORSETS

Front Laced

**HAVE YOU MADE THIS TEST OF YOUR CORSET?**

DO YOU feel occasional languor, intervals of listlessness, intermittent indigestion an intense relief at the moment of uncorseting? If you feel these symptoms you are developing a premature matronly figure, sacrificing health for fashion. Women who wear MODARTS never feel these warnings. For the Designer of MODART Corsets is generally conceded to be the foremost corset designer in the world. Every smart effect he creates must also meet his approval as an anatomist. So, if you seek to improve your figure—if you seek to gain new grace of carriage—if you seek to promote your health and comfort and at the same time conform with prevailing styles—then we urge you to have a trial fitting.
