Remarkable Picture Version of Famous Drama To Be Shown Here  
"Damaged Goods" the drama that upset the country two years ago and became the greatest stage sensation the nation has seen, is to be shown here in motion pictures.

It is announced that this remarkable picture has been booked by the Sherry Theater for a run of two days. The first showing will be given Monday next.

The motion picture version of "Damaged Goods" is even more remarkable than the speaking stage play. It tells more of the strange inner mysteries of the plot than was possible on the stage.—adv.
