MUTTON SHORT IN PORTLAND

MARKET SHOWS STRENGTH AS A RESULT Steady to Strong Is Hog Situation as Week Opens

Portland, March 27.—With supplies still unusually limited at North Portland, the market for mutton and lambs is quite naturally of strong character. Only 192 head put in appearance over Sunday. General situation in the swine trade at North Portland is steady to strong. Demand was good at the week's opening with general sales of tops around \$9.30, although extreme quality was quoted even finer at \$9.35.

There was a very short run of cattle in the yards over Sunday at North Portland and a general advance of fully 15c was quoted in the market, although pulp-fed stuff was but 10c higher. At \$8.75 for the best of these the market struck a new high record for the local yards. James Henry of Seattle was the buyer of the record lot.

There were plenty of cattle buyers in evidence at the yards when the market opened, but there was little stuff available. This gave the market a very easy advance.

KEEP THOUSANDS OF PATIENTS OUT OF THE NATION'S HOSPITALS

Western Drug Merchant Discusses National Health

MONRAD J. OLSEN of Des Moines, Ia., said, in an interview today, "If each person in this country would take an occasional laxative dose, our hospitals would lose thousands upon thousands of patients."

Today's Oddest Story

Tiffin, Ohio, March 28.—Here is the queerest entry in the early-fishing-story contest. Eugene Schultz, 12, while skating on Rock Creek broke through the ice, he sank to the bottom and in his terror clutched out wildly. His hand grasped a 21 inch black bass. He was still holding tightly to him when the other boys rescued him.

As The Years Pass

Every individual faces declining years and diminished earning capacity.

Statistics show that only five men out of each one hundred are able to live on their incomes at the age of sixty. The other ninety and five are dependent upon their daily earnings, then relatives, friends or public charity for support.

A Savings Account consistently maintained in The United States National Bank and earning 4 per cent interest, is a most effective means of preparing for independence and comfort in later years.

MODART CORSETS

HAVE YOU MADE THIS TEST OF YOUR CORSET?

DO YOU feel occasional languor, intervals of listlessness, intermittent indigestion an intense relief at the moment of uncorseting? If you feel these symptoms you are developing a premature matronly figure, sacrificing health for fashion. Women who wear MODARTS never feel these warnings. For the Designer of MODART Corsets is generally conceded to be the foremost corset designer in the world. Every smart effect he creates must also meet his approval as an anatomist. So, if you seek to improve your figure—if you seek to gain new grace of carriage—if you seek to promote your health and comfort and at the same time conform with prevailing styles—then we urge you to have a trial fitting.
