"DAMAGED GOODS"

Film Drama Carries a Thrilling Story of a Wedding Tragedy

The plot of "Damaged Goods," the remarkable film play carries a story that unhappily is repeated in the secret history of many a young man of the day.

Despite its dark passages it is cleanly portrayed on the screen and interest is maintained evenly through the seven reels.

The picture is to be seen here at the Sherry Theater, Monday and continuing two days.

It is a Mutual special feature made by the American Film Co.

The story of the play centers about the role of George Dupont, which is taken by Richard Bennett, the famous actor who produced the play on the speaking stage with such sensational success.
