"THE FOURTH ESTATE" MADE IN
MAMMOTH PLANT OF
CHICAGO HERALD

No other profession or industry—
call it which you will—has so many
diversified types as newspaper mak-
ing. No other vocation so completely
humanizes its workers, those super-
energized men and women whose sole
purpose in life is to emancipate from
chaos the news of the day. All of
these types are portrayed in "The
Fourth Estate," at Sherry's today last
day.

It brings one face to face with con-
scienceless copy readers, adjective-
oozing sob sisters, murderous-hearted
city editors, haughty copy boys, stoop-
shouldered make-up men, facile-pen-
ned rewrite men, and alert reporters,
besides the many other types found
in the news and the mechanical ends
of the huge, present-day paper.

Samuel J. Ryan, who plays the part
of the political boss in the William

Fox feature photoplay, "The Fourth
Estate," is one of the best known
men on the American stage. He be-
came famous in "Irish Aristocracy,"
and "Muldoon's Picnic," and in later
years played big parts in "Little
Johnny Jones," the "Yankee Prince"
and other Cohan and Harris produc-
tions.

AT THE ARCADE.

"THE GOLDEN CHANCE"

How a girl from the slums is trans-
formed into a member of the fashion-
able smart set and is ardently courted
by a wealthy bachelor, is the theme of
the gripping society drama, "The
Golden Chance," which will be seen
at the Arcade tonight and tomorrow,
under the direction of the Jesse Lesky
Company, with Cleo Ridgely and Wal-
lace Reid in the stellar roles.

This thrilling play of modern Cin-
derella, is said to be one of the most
lavish and unusual productions ever

made by the Lasky Company. From
the depths of poverty, the girl is in-
troduced among the leaders of society,
only to be cast back again by her
drunken, thieving husband. How she is
saved by a wealthy young bachelor,
who has fallen in love with her, must
necessarily be seen to be appreciated.

AT SHERRY'S

NEWSPAPER SHOW GREAT

Sherry patrons tonight will see a
strong picture in "The Fourth Estate"
a gripping story of money, intrigue
and newspaper mechanism. The Chi-
cago Herald office is used for a good-
ly portion of the sittings, and the
ways metropolitan papers are made is
shown in a clear manner. Last time
tonight, and the film is indeed in-
structive, as well as interesting.

Pursues Husband and Child

Baker, March 31.—Seeking to re-
cover her three year old son, Albert,
whom she claims was taken by his
father from Medford, Mrs. I. M. Bag-
ley made a flying trip from Weed,
California to Baker, when informed
by her mother that the child was
missing. She arrived last night and
this morning endeavored to persuade
Chief of Police Jackson to recover the
boy for her. Mr. Jackson refused un-
til papers in the case have been se-
cured from District Attorney Godwin.
Mr. and Mrs. Bagley have been liv-
ing apart for the past year, Mrs. Bag-
ley stated, although no divorce pro-
ceedings have been instituted. Her
husband is stopping at the home of his
brother, George Bagley, in this city.

More Business, More Babies

Philadelphia, March 31.—When J.
J. McNally today announced the ad-
dition of a new barge to his river
fleet his friends told him they were
glad there was a new baby at his
house. McNally builds a new barge
for every new baby McNally. As-
ked today if business was good, Mc-
Nally replied: "I expect to build more
barges." He already has 10.

Bridge Ready By Monday

The new underpinning at the south
end of the Park bridge has been com-
pleted and if the structure does not
settle down any more, a contingency
that is not expected, the flooring will
be replaced and the bridge will be
open for vehicle travel by Monday.

Only An Imprisoned Dog

The larger portion of the police
force rallied to Bloch's store yester-
day evening and the cause of the
commotion was a small-sized dog
which had become fastened under the
safe in the store. The canine was
finally released and it immediately
struck out to find some other source
of trouble.

Car Shortage Threatens Wheat

Winnipeg, March 31.—Pleading that
6,000,000 bushels of wheat needs cars
to move it immediately to save it from
rotting on the ground a farmer's dele-
gation appeared today before the Can-
adian Grain commission. Much of
this grain is already being damaged
by wet spring weather the farm-
ers told the commission.

Today's Oddest Story

Jackson, Mich., March 31.—Gov. Hi-
ram Johnson of California and Sen-
ator Charles E. Townsend of Michigan,
will deliver the principal addresses
here tonight at the annual banquet of
the Jackson Chamber of Commerce,
although neither of the speakers will
be within hundreds of miles of this
city. Their addresses will be trans-
mitted by long distance telephone.
Johnson speaking from California and
Townsend from Washington.

North Powder Bonds Sold

North Powder, March 30.—At a bid
of par, with a premium of \$835, Keel-
er Bros., of Denver, secured the
\$25,000 issue of 10 and 20 year five
per cent bonds for the new high
school building here, when bids were
opened yesterday. The school board
is now considering plans and selection
of the architect for the new
structure.

Misery in Back, Headache and Pain in Limbs.

Dear Mr. Editor—For more than a
year I suffered with misery in the back,
dull headache, pain in the limbs, was
somewhat constipated and slept poorly
at night until I was about ready to col-
lapse. Seeing an account of the won-
derful qualities of "Anuric," prepared
by Doctor Pierce, of Buffalo, N. Y., I
sent for a box, and before using the
whole box I felt and still feel improved.
My sleep is refreshing, misery reduced,
and life is not the drag it was before. I
most cheerfully recommend this remedy
to sufferers from like ailments.
Yours truly, W. A. ROBERTS.

NOTE: You've all undoubtedly heard
of the famous Dr. Pierce and his well-
known medicines. Well, this prescrip-
tion is one that has been successfully
used for many years by the physicians
and specialists of Dr. Pierce's Invalids'
Hotel and Surgical Institute, of Buffalo,
N. Y., for kidney complaints, and dis-
eases arising from disorders of the
kidneys and bladder, such as backache,
weak back, rheumatism, dropsy, con-
gestion of the kidneys, inflammation
of the bladder, scalding urine, and
urinary troubles.

Up to this time, "Anuric" has not
been on sale to the public, but by the
persuasion of many patients and the
increased demand for this wonderful
healing Tablet, Dr. Pierce has finally
decided to put it into the drug stores
of this country within immediate reach
of all sufferers.

I know of one or two leading drug-
gists in town who have managed to
procure a supply of "Anuric" for their
anxious customers in and around this
locality. If not obtainable send one
dime by mail to Dr. Pierce for trial
package or 50 cents for full treatment.
