STRAWBERRY SEASON IS ON

SOUTHERN PRODUCT OFFERED IN CITY.

"Good Things to Eat" Column is Bounteous Affair.

Splendid home-grown spinach, offered at the same time that the full line of shipped-in vegetables are being sold, added a touch of advanced Spring to the retail market this morning. There is an abundance to choose from at prices are high. But the consumers have been buying green stuffs with great steadiness, and the supply is kept up to meet that demand.

No changes occurred on the markets this morning.

Good Things in Market.

One dealer this morning reviewed the market as follows:

Strawberries have finally arrived, the first coming today all the way from Louisiana. When this fruit begins coming we can feel that summer is on the way. There is nothing new this week in green vegetables. New potatoes are due most anytime and the green peas and stringbeans will be more plentiful. Even so we have asparagus, spinach, cauliflower, green onions and radishes, green peas, beans, tomatoes and cucumbers and green peppers. The following is a tasty way to prepare green peppers which will serve in the place of the meat course.

Choose any desired number of peppers of uniform size. Cut, slice from top and remove core and seeds, taking care to get them all. Par-boil for ten minutes and drain and cool. Take boiled ham, or left over meat and put it through the meat grinder—the quantity depends upon the number of peppers to be stuffed, but don't let the meat predominate—add bread crumbs, salt, pepper and a little chopped onion, according to taste, and moisten with canned tomatoes so that all will hold together. Fill pepper shells, sprinkle bread crumbs on top and a bit of butter and cook twenty minutes in a moderate oven.

Spring

Spring is looked upon by many as the most delightful season of the year, but this cannot be said of the rheumatic. The cold and damp weather brings on rheumatic pains which are anything but pleasant. They can be relieved, however, by applying Chamberlain's Liniment. Obtainable everywhere.

Watch Child's Cough

Colds, running of nose, continued irritation of the mucous membrane if neglected, may mean Catarrh later. Don't take the chances—do something for your child! Children will not take every medicine, but they will take Dr. King's New Discovery and without bringing or teasing. It's a sweet pleasant Tar Syrup and so effective. Just laxative enough to eliminate the waste poisons. Almost the first dose helps. Always prepared, no mixing or fussing. Just ask your druggist for Dr. King's New Discovery. It will safe-guard your child against serious ailments resulting from colds.—adv.

FRED S. ASHLEY.

For County Representative
 (Subject to Republican Primaries) State Government is Not Politics; It is the People's Business. If elected I will work for simplification of legislative procedure, more efficient and responsible administration of state affairs, fewer and better laws, lower taxes, consolidation of related commissions, rural credits, protection of labor's rights, and a state highway through Union County.

Having always been a supporter of the Oregon System and of State Prohibition, I will labor to prevent any changes in these laws unless clearly in accord with their basic principles and for the general betterment of the people of Oregon. I favor no radical legislation, at this time, aiming either at new changes or a return to old conditions, and I will follow the advice so generally given to the public.

"When in Doubt, Vote No."

As The Years Pass

Every individual faces declining years and diminished earning capacity.

Statistics show that only five men out of each one hundred are able to live on their incomes at the age of sixty. The other ninety and five are dependent upon their daily earnings, then relatives, friends or public charity for support.

A Savings Account consistently maintained in The United States National Bank and earning 4 per cent interest, is a most effective means of preparing for independence and comfort in later years.
