### All is not wool that bears a label

Now that the serious shortage in dye stuffs and wool yarns has brought havoc to the woolen market, knowing men will depend upon the reputation of the House of Born when they are ready for new clothes.

### M. Born & Company

have never misrepresented a piece of material in the forty years of their business existence—they have maintained high quality standards under all conditions—they have always sold exactly what they advertise.

Don't gamble with your clothes money—select your next suit from "Born's Blue Book" and make sure of good woolsens, good workmanship and long service.

The price? No more than you will be asked to pay for the unknown and uncertain kind.
