

### About Our Methods

Our way of selling means money for you as well as for us.  
 Our way is—your money back if you are the least bit dissatisfied.  
 That means money for you because you can't lose. It means money for us because it brings us satisfied customers—and holds them.  
**HERE'S SATISFACTION ALL AROUND—**  
 for you and for us—it protects you and it pays us.  
 We want you to be one of our satisfied customers. We'll make you one if given the chance.

# Study R. C. U. Values

Many of the lines on exhibition in our store were purchased this Spring under the guidance of this retail organization of more than 400 Middle Western Merchants, who have successfully eliminated the middle man from their buying by using the co-operative method of purchasing direct from the manufacturers.

**THEIR ANNUAL PURCHASING POWER IS NOW \$35,000,000.**

which enables them to give R. C. U. patrons more actual value for their money. This is good proof why we sell for less. When you visit Our Store ask about the R. C. U. Method of purchasing power.
