Why Constipation Injures
The bowels are the natural sewer-
age system of the body. When they
become obstructed by constipation a
part of the poisonous matter which
they should carry off is absorbed into
the system, making you feel dull and
stupid, and interfering with the di-
gestion and assimilation of food. This
condition is quickly relieved by Cham-
berlain's Tablets. Obtainable every-
where.

JUNIOR CLASS GOOD HOSTS

SENIORS GUESTS OF LOWER
CLASSMEN.

School Function Brilliantly Staged—
School Notes.

The banquet which was given by
the juniors in honor of the seniors
last Saturday evening was one of the
most pleasant social functions of the
year.

Upon arriving the guests were tak-
en to the auditorium where a short
musical program was given. At the
conclusion of this they were invited
down to the gym which had been di-
vided for the evening into two rooms,
a banquet hall and a reception room.
The reception hall was decorated in
the junior class colors, red and white.
Over head was a lattice work of red
and white crepe paper, and cozy cor-
ners about the room made the place
attractive.

The color scheme in the banquet
room was pink and green the senior
class colors. A dome of pink and
green crepe paper extended from one
side of the room to the other. The
tables which seated one hundred peo-
ple were placed in the form of a cross

and beautifully decorated in pink and
green. The delightful menu which had been
prepared by Miss Edwards and the
domestic science girls was served ac-
cordingly:

Punch	First Course	Mints
Peas	Dinner Proper	Pickles
Olives	Potato Chips	Chicken Peaks
Cake	Salad	Ice Cream
	Coffee	

At the close of the repast toasts
were given.
Genevieve Stoddard, Toast Mistress.
To the Senior Class—Jeanne Smith.
Reply—Stella Bodmer.
To the Faculty—Anna May Warren.
Reply—Mr. McIntosh.
To the Senior Mascot—Alfred John-
son.
Reply—Walter Bean.

School Notes.
Mr. Morrison has taken his physical
geography class on many field excu-
sions in order to impress upon his pu-
pils the object which they are study-
ing by observation.

Helen McDonald, a graduate of last
year and now a freshman at U. of O.
was a visitor to the high school Wed-
nesday.

Examinations are again being given
this week. This is the last test
until the final at the close of the term
and many are making a last effort in
the hope of being exempt from the ex-
aminations.

Dr. Rebec of U. of O. visited the
school last week.

Prevailing Drug Prices----

"War Prices," without cause, have never pre-
vailed at our store. Prices have advanced on
many pharmaceutical chemicals and crude drugs
which are produced only in Europe. Such condi-
tions have caused a slight increase in the price
of some prescriptions.

Any advance of this kind at our store is reasonable
and only to the amount of the increased price
which we must pay to our wholesaler.

If further increases become necessary from time
to time we shall be glad to give customers a reason
for such.

We always strive to conduct our store in a manner
that will merit the confidence of our customers.
