**Hello! You with Coughs**  
**Here's Speedy Relief**

Stop the racking and hacking, raise the phlegm, heal the soreness with Foley's Honey and Tar Compound.

"Just like oil on troubled waters," is the way one grateful woman describes the benefit of Foley's Honey and Tar Compound.

It spreads a soothing, healing coating over the raw inflamed throat—it loosens the hack—raises the phlegm—and really works wonders.

Why hack, hack, hack—driving everybody almost crazy, using up your strength, weakening your vitality and inviting serious sickness when there's speedy, soothing, sure relief in Foley's Honey and Tar Compound.

"After using medicine from the doctor, without results, for my grandchildren, who were visiting me," says Mr. J. A. Shanka, of Lewisburg, Ind. "I had to get up and get a bottle of Foley's Honey and Tar Compound out of my store and give them. After a few doses were given they went to sleep and slept throughout the night without coughing. I have handed Foley's Honey and Tar Compound for more than eight years and always recommend it."

You'll find Foley's Honey and Tar at your druggists. Be sure to ask for Foley's and see that you get the yellow package. Nothing else will do the work that Foley's Honey and Tar will do. 25c, 50c and \$1.00 sizes.
