Oregon produces over two billion feet of lumber, approximately 160 million lath, and 275-1-2 million shingles. Of this quantity, she consumes nearly 23 million lath and over 116 million shingles. Of the amount of lumber produced, Oregon consumes 19.8 per cent, or 411 million board feet, over half of which is used for building purposes. Nearly half of the building material, of the lath and of the shingles, is used in Multnomah and Clackamas counties.

BIG EATERS GET KIDNEY TROUBLE
 Take a glass of Salts before breakfast if your Back Hurts or Bladder bothers you.
 The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.
 When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.
 Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and brings relief in every home, because nobody can make a mistake by having a good kidney flushing any time.

Deafness Cannot Be Cured
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
 We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Family Dr says: Care for your Eyes, Ears, Nose and Throat.

 IF YOUR EYE IS "SORE" IT MAY CONTAIN A STREPTOCOCCUS INFECTION WHICH WILL MAKE YOU LOSE YOUR SIGHT. TAKE CARE OF YOUR EARS IN TIME AND SAVE YOUR HEARING. IF YOU LET YOUR "SORE THROAT" RUN ON IT MAY CAUSE NOT ONLY DIPHTHERIA BUT APPENDICITIS OR RHEUMATISM. SCIENCE HAS RECENTLY LEARNED THESE THINGS.
 GO "QUICK" TO YOUR FAMILY DOCTOR WHEN ANYTHING AILS YOUR EYE, EAR, NOSE OR THROAT. WHEN YOU NEED REMEDIES COME TO US FOR THEM AND YOU CAN "RELY" ON WHAT YOU BUY.
