## BIG SERVICES NOW DRAFTED

DETAILS OF RELIGIOUS PROGRAM READY.

Good Friday to See and Hear Attractive Numbers.

Still subject to slight change, but on the whole containing the program as it will be carried out Friday afternoon, the arrangement of numbers for the municipal services Good Friday at Sherry's theatre has been completed. Business houses of La Grande close at 12:15 and open again at 2 o'clock. During these hours services consisting of seven short addresses, illustrated slides, and song, will be carried out in such a way that those who cannot remain for all the service may leave at the suitable hour. It is hoped that as many as can will remain through the services. Those who have but a few moments at their command are invited to spend them in this service which will be free to all.

The plan was inaugurated a year ago and was so tremendously successful that hereafter it will unquestionably be an annual event. Few cities the size of La Grande undertake it, but the scheme is eminently fit for the day. Following are the numbers as at present listed:

### "Peerless Leader."

Lincoln, Neb., April 18.—The most spectacular fight in the Nebraska primary today is that for the Democratic nomination for governor. Mayor Charles W. Bryan of Lincoln, brother of William J. Bryan, is the dry candidate, while the wets have concentrated their vote on Keith Neville of North Platte, although W. F. Stoecker, of Omaha, also is in the race. Former Secretary Bryan has been in the thick of the fight to rid the Democratic party in Nebraska of what he designates its "brewery control." "I did not want this question to come up at this time when national issues are to engage our attention," said Mr. Bryan in his campaign. "I preferred that it wait a year. But if a child is born at my house I take care of it. This question is here, and I intend to take care of it." The wets,

having control of the Democratic state committee, he said, declared it was best to let the issue rest, and then they quietly got busy and sought to nominate men so as to capture the nominations in both parties for governor and the legislature. Since they forced the issue, he said, he is content to fight it out. Wets and dries are battling for control in the Republican and Democratic parties. The selection of candidates friendly or opposed to the liquor interests overshadows all else. When the state prohibition amendment comes up this fall, the governor and legislators will decide its fate. Little interest has been displayed in the presidential contest. On the Republican presidential preference ballot are the names of Henry Ford, Henry D. Eastbrook, Albert B. Cummins and Robert G. Ross. Nebraska has two favorite sons as candidates for the vice-presidential nominations, former United States Senator Elmer J. Burket, Republican, and Governor John H. Morehead, Democrat. Both are expected to receive their party's endorsement in Nebraska. On the Republican ticket there are five candidates for the gubernatorial nomination: three dries, Judge A. L. Sutton of Omaha, William Madgett of Hastings and Samuel R. McKelvie of Lincoln and two wets: Walter George of Omaha and C. J. Miles of Hastings. For the nomination for United States senator, Senator Gilbert M. Hitchcock of Omaha and Ignatius J. Dunn of Omaha, are contesting for the Democratic nomination. Former Governor Chester H. Aldrich of Lincoln and Judge John L. Kennedy of Omaha are contesting for the Republican nomination.
