Sporting News

Pendleton, April 18.—For two hours last night at the Oregon theatre, Tony Ajax of Los Angeles, Pacific coast middleweight champion, and Frank McCarroll, Boise heavyweight wrestler, tried their best holds on each other and struggled with all their strength and skill to pin each other to the mat, but neither could accomplish the trick. At the end of the two hours the match was called a draw by Referee Harlan and the two grapplers complimented each other.

McCarroll outweighed his opponent by ten or fifteen pounds, and had counted on his extra weight for a victory. Ajax, who is a finished mat man, was no less confident of being the winner, and each proved a surprise to the other.

Ajax began the match as the aggressor. He has been in the habit of winning his bouts as soon as possible, especially where he is pitted against a bigger man. His best showing on the offense was made in the first ten minutes when he fastened what looked like an unbreakable hold upon the

Happy Canyon strong man. He had McCarroll's shoulders near the mat for several minutes, but the great strength of the latter saved him and he finally broke loose. After that he was in no danger.

After the first half hour, McCarroll became the continuous aggressor for an hour. He worked upon Ajax with vim, fastening one hold after another, some of them being bad ones. However, Ajax proved a great defensive worker and his thorough knowledge of the game stood him in fine stead. Time after time he broke holds that looked to many of the fans like the beginning of the end. Toward the latter part of the match, Ajax alternated with the Boise man in fastening holds and for the final ten minutes they were on their feet bulling each other about the mat.

Spring is looked upon by many as the most delightful season of the year, but this cannot be said of the rheumatic. The cold and damp weather brings on rheumatic pains which are anything but pleasant. They can be relieved, however, by applying Chamberlain's Liniment. Obtainable everywhere.

ECHOES FROM UNION.

Union Happenings Always Interest Our Readers. After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Union resident leaves no room for doubt on this point.

J. M. Johnson, proprietor of barber shop, Main street, Union, Ore., says: "I think constant standing weakened by kidneys, causing pain and soreness in my back. One day a customer who heard me complaining, told me Doan's Kidney Pills were good and I got a box. I used them but a short time before I was convinced that the man who recommended them to me knew what he was talking about." (Statement given November 8th, 1907.)

Over five years later, Mr. Johnson said: "I use Doan's Kidney Pills occasionally and find them just the thing for irregular kidney action and kidney ailments." Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Johnson has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv. 12-11-15

Why Constipation Injures The bowels are the natural sewerage system of the body. When they become obstructed by constipation a part of the poisonous matter which they should carry off is absorbed into the system, making you feel dull and stupid, and interfering with the digestion and assimilation of food. This condition is quickly relieved by Chamberlain's Tablets. Obtainable everywhere.

HAVE YOUR EASTER SUIT OR GOWN FITTED OVER A MODART CORSET

DISCRIMINATING women—Women who know the modes—Always seek these advantages in a corset. They seek symmetry and graceful figure beauty to make the gown attractive—They seek the smooth back made possible by the absence of laces in the back of the front laced MODART. They seek ease of carriage—comfort—They seek ease in adjustment. They seek freedom over the diaphragm—They seek these advantages combined with the modern notes of fashion—And they find complete expression of these ideas in MODART Corsets. Let your next corset be a MODART and select it by fitting room proof.
