

EASTER NOVELTIES

You ought to be in our store these days and hear the expressions of delight from the little folks who see our Easter Novelties. You would realize then how much happiness you could provide for the small people at home, and at an insignificant cost, too.

We Have a Complete Line

Fluffy little chicks and ducks, funny birds with hats on, strange birds of brilliant plumage, roosters, hens, rabbits, eggs etc. Some novelties are of candy, some are made to hold candy and others are just ornamental.
