For burning brush without a permit last September, James Aigne, a farmer living near Leavenworth, Wash., was fined, on April 12, \$25 and costs. He was arrested by the local ranger and brought before Justice of the Peace P. H. Graham. The danger to the forest wealth of the Northwest from indiscriminate burning of brush and slashing during the dry season is so great that the State law prohibits it, and the courts are strict in punishing offenders.

GLASS OF SALTS CLEANS KIDNEYS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive, effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

TRIED VARIOUS KIDNEY REMEDIES BUT ONLY ONE PROVED RELIABLE

It is with great pleasure that I write these lines of praise for your wonderful kidney and bladder remedy. I had kidney trouble so bad I became very much alarmed. I had tried various kidney remedies I heard of but without relief. I was about discouraged of ever being helped, when, one day I picked up a book containing testimonials of people who had been helped and cured of their kidney trouble by the use of Dr. Kilmer's Swamp-Root, so I decided to try it and I know I owe my present good health to the wonderful curative power of Swamp-Root. I sincerely hope my words will be the means of restoring many other sufferers of kidney and bladder troubles to good health.

Very truly yours,
B. J. FENSTERMAKER,
 1491 Roycroft Ave, Lakewood, Ohio.
 Personally appeared before me this 18th day of October, 1915, B. J. Fenstermaker, who subscribed the above statement and made oath that the same is true in substance and in fact.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a running ear, which may become deaf, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
