

Willard STORAGE BATTERY

The Joys of Spring

You can multiply them if your starting and lighting system is on the job, rain or shine. But a slight touch of "Spring fever" in your battery can stir up a lot of annoyance if you let it go.

We're here to keep storage batteries full of "pep." When we charge a battery, repair it or just inspect it, you may be sure the work is done right. Drive around to see us—it will pay you just to know us.

Safe Medicine for Children. "Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effectual in relieving coughs, colds and croup. Obtainable everywhere.

Western Diamonds Set and Sparkling

Des Moines Ia, April 20.—The Western League's cluster of brown diamonds was all set sparkling as the 1916 pennant race was begun before big crowds eager to see the Old Heads and the Recruits to battle in Western League cities today. Frank C. Zehrung, the Lincoln theatrical man, who succeeds "Tip" O'Neil as head of the league, has renovated the umpiring staff and the handlers of the indicators are nearly all new men. Zehrung promises discipline for the players, snappy games for spectators and cleaner ball generally. Nearly all the teams are stronger than last season. Topeka and Wichita, which made a poor showing in 1915, have been strengthened. The games today are being played as follows: Denver vs Wichita at Denver. St. Joe vs Topeka at St. Joe. Des Moines vs Omaha at Des Moines. Lincoln vs Sioux City at Lincoln. "Rebel" Oakes, new manager for Denver, who formerly played with the Pittsburgh Feds promises winning ball. R. J. Lattimore, new head of the Topeka aggregation, greatly has strengthened the team. Tom Fairweather, secretary of the Des Moines will not see so much ball as usual this year, as he has been elected a councilman of Des Moines.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

Take it To-day! Foley's Honey and Tar

for coughs, colds, croup, and irritation of throat, chest, and lungs. Croupy children helped quickly; bronchial and lingering lagrippe coughs stopped; hoarseness, tickling throat and nervous hacking relieved—these are some of the good effects of Foley's Honey and Tar. Is a standard family household medicine that contains no opiates. Do not accept a substitute for Foley's Honey and Tar. Your dealer sells it.

SOLD EVERYWHERE.

SUDDEN DEATH

Caused by Disease of the Kidneys.

The close connection which exists between the heart and the kidneys is well known nowadays. As soon as kidneys are diseased, arterial tension is increased and the heart functions are attacked. When the kidneys no longer pour forth waste, uramic poisoning occurs and the person dies, and this cause is often given as heart disease, or disease of brain or lungs.

It is a good insurance against such a risk to send 30 cents for a sample package of "Anurie"—the latest discovery of Dr. Pierce. Also send a sample of your water. This will be examined without charge by expert chemists at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. When you suffer from backache, frequent or scanty urine, rheumatic pains here or there, or that constant tired, worn-out feeling, it's time to write Dr. Pierce, describe your symptoms and get his medical opinion without charge—absolutely free. This "Anurie" of Doctor Pierce's is found to be 67 times more active than lithia, for it dissolves uric acid in the system as hot water does sugar. Simply ask for Dr. Pierce's Anurie Tablets. There can be no imitation. Every package of "Anurie" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Golden Medical Discovery for blood and stomach.

WORRY, DESPONDENCY.

Kidney Disease is suspected by medical men when patients complain of backache or suffer with irregular urination, disturbed, too frequent, scanty or painful passage. The general symptoms are rheumatic pains or neuralgia, headaches, dizzy spells, irritability, despondency, weakness and general misery. Worry is a frequent cause and sometimes a symptom of kidney disease. Thousands have testified to immediate relief from these symptoms after using Dr. Pierce's Anurie Tablets.
