## AT THE MOVIES

"Sealed Valley at Sherry's. (Tomorrow Only.)"

### AT SHERRY'S.

Dorothy Donnelly, whose name is a household word wherever she was seen in her three great successes, "The Lion and the Mouse," "The Song of Songs" and "Madame X" will be seen on the motion picture screen in the Metro production of Hulbert Footner's big human interest story, "Sealed Valley," which comes to Sherry's tomorrow only. "Sealed Valley" is a photoplay based on the novel of the same name and is said to contain many rare novel photographic and scenic effects. A vivid tale of the untrodden woods.

The Bell Telephone Company on February 14 successfully opened the Montreal-Vancouver telephone line, said to be the longest ear-ear circuit in the world. The line is 4227 miles long, while the New York-San Francisco line recently opened is but 3400 miles in length. The new line does not go direct through Canada, but runs via the following connecting points: Buffalo, Chicago, Omaha, Salt Lake City and Portland, Ore.

## TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will give a revelation if your hair is fading, streaked or gray. Mixing Sage Tea and Sulphur recipe not found though, is troublesome. An easier way is to get a 50-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.

The rate applies to all electric energy used in residences after the first 6 kw.-hr. per room per month, all energy used by the customer measured by the one meter.
