MEAT PRICES REMAIN FIRM

Portland, April 24.—The run of hogs at North Portland was slightly in excess of that of last Monday, but there was a steadier tone in the trade, and one lot of extreme quality went at \$9.15, and one load at \$9.10, while the bulk in the topper division went at \$9.00.
Run of cattle was short in the North Portland yards over Sunday, only 508 head putting in an appearance over Sunday, while a week ago the arrivals were small at 931 head.
There continues a nominal trend in the mutton trade, because practically nothing is available to test extreme quotations. The run at North Portland over Sunday consisted principally of direct stuff to a local killer.

The Story of the Office Boy
London, April 19.—There has just reached London the story of a \$5 a week office boy, 15 years old, who died a hero among the bravest of the brave of King George's finest on Gallipoli peninsula. It is a story to thrill the heart of every office boy in the United States, this recital of what happened to Cyril Cook after he left the drab surroundings in the dreary office of a big Mail firm and harkened to the order: "Charge!" and forget the lordly Overlerk's bumptious summons: "Boy!" Less than two years ago Cyril Cook was a typical office boy with a large Pall Mall firm. At the outbreak of war he misrepresented his age to a recruiting sergeant and joined the army. Early in 1915 his regiment was sent to the Dardanelles. A letter to the boy's parents in East Finchley tells the story. A comrade detailed how the youngster fought in practically every important engagement. Twice he surprised his officers by bringing in Turks he had captured at the point of the bayonet. He had undertaken many dangerous outpost duties and his conduct

MEAT CAUSE OF KIDNEY TROUBLE

Take a glass of Salts if your Back hurts or Bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here: take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also, to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.
Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.
