TO-DAY and TO-MORROW**ARCADE****JURIST SEEKS STATE SUPPORT****CANDIDATE AT LARGE BEGINS HIS CAMPAIGN****T. H. Crawford of This City Anxious to Help Nominate Mr. Wilson.**

Judge Thomas H. Crawford, one of the best known Democrats in the entire state of Oregon, has begun to circulate his cards and call his friends' attention to the fact that he is a candidate for the office of Democratic delegate at large to the national convention.

The judge is not much of an office seeker, but is always found helping the other fellow. He is an ardent Wilson man and his ambition this year is to go back to St. Louis and assist in renominating his chief. That his wishes will be granted there is little doubt for from every quarter comes the word that his candidacy is looked upon with the greatest favor and all seem delighted to do a good turn for a man who is universally liked regardless of political lines, and one who has been faithful to the party he believes in regardless of storm and defeat.

Painting Island Bridge

Superintendent Davis and a couple of assistants are engaged in painting the steel work of the bridge at Island City. This structure was built under Judge B. F. Wilson's regime and has stood the wear and tear of several years but now needs re-painting. Several other county bridges are to be painted at odd times during the coming summer.

trial of her husband's \$200,000 estate on the ground that Irene Matters was born to her and her husband, was contested by her brother-in-law, James Matters. He contended the girl was no relation of Frederick Matters. Mrs. Matters sought to prove that it was.

Just as the case was ending Dr. L. Emil Broad, head of the Misericordia hospital at Ottawa, Ontario, and Miss Marie Louise Des Ronieres, head nurse, who had previously testified in support of Mrs. Matters' claims, repudiated their testimony and said the child was not the daughter of Matters. Mrs. Matters, in a settlement with the heirs to the estate, received \$50,000 as her dower right.

ECHOES FROM UNION.

Union Happenings Always Interest Our Readers.

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Union resident leaves no room for doubt on this point.

J. M. Johnson, proprietor of barber shop, Main street, Union, Ore., says: "I think constant standing weakened by kidneys, causing pain and soreness in my back. One day a customer who heard me complaining, told me Doan's Kidney Pills were good and I got a box. I used them but a short time before I was convinced that the man who recommended them to me knew what he was talking about." (Statement given November 8th, 1907.)

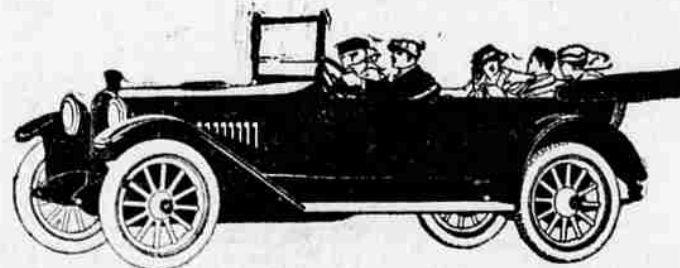

Over five years later, Mr. Johnson said: "I use Doan's Kidney Pills occasionally and find them just the thing for irregular kidney action and kidney ailments."
