PENN RELAY STARTS TODAY

GATHERING OF STARS BRIGHTEST IN HISTORY.

Windnagle, U. of O. Runner. Entered With Cornell.

Philadelphia, April 28.—Two hundred and fifty athletes, representing the best men American universities and colleges possess will struggle on Franklin Field this afternoon in the preliminary heats of the University of Pennsylvania two-day relay carnival. Those who qualify will compete in the finals tomorrow. While the various teams will endeavor to win the point trophy for their individual alma mater the struggle primarily will be a gigantic battle for supremacy between East and West. Never in the history of the Penn relay classic has such a group of athletes been gathered as today. This is partly due to the European war, which caused abandonment of the Olympic games. Altogether there are 80 colleges competing with a representation of over 100 teams. The colleges entered in the championships are: Yale, Harvard, Princeton, Cornell, Dartmouth, Michigan, Chicago, Illinois, Pennsylvania, University of Missouri, University of Wisconsin, Notre Dame, Kansas, Indiana, Occidental College, Brigham University, Iowa State, Georgetown, Columbia, Syracuse, Massachusetts Institute of Technology, Hamline College, Michigan Agricultural, Holy Cross and Pennsylvania State.

With these colleges represented by such stars as Meridith of Penn, Diamond of Chicago, Wilcox of Harvard and Moore of Princeton, there is more than a chance that new world records will be established. This prediction was made today despite the fact the records in two of the relay championships and some of the pentathlon events are as low as it seems possible human legs and strength can make them. While unusual attention is directed toward the sprint and distance medley championships and the special events, chief interest centers in the one mile relay, with the two and four mile championships almost sharing the same attention. Harvard is picked by many dopsters to win the mile event. Pennsylvania, however, is figured in some quarters to repeat, but while the Quakers retain Ted Meredith, Kaufman and Lockwood, experts point out that the loss of Don Lippincott, one of the fastest quarter-milers in the country, will greatly reduce the Red and Blue's chance for success.

Princeton, Chicago, Dartmouth, Kansas and Wisconsin also are entered in the mile relay and are classed as dark horses.

In the four-mile relay, Cornell is expected to repeat her performance of 1911, when the Ithicans walked away with the event to the tune of 17 minutes 55 1-5 seconds, establishing the present record.

Oregon Boy Entered.
Three of the men Cornell has entered are Windnagle, Potter and Hoffmire. All can run the mile in 4 minutes, 25 seconds.

Windnagle was a student at the University of Oregon prior to going to Cornell.

A Long Talk

Dr. Wiley tells the following story: Sleepily after a long night off, a certain intern hastened to his hospital ward. The first patient was a stout old Irishman.

"How goes it?" he inquired.
"Faith, it'sh me breathing, doctor. I can't get my breath at all, at all."
"Why your pulse is normal. Let me examine your lung-action," replied the doctor, kneeling beside the cot and laying his hand upon the ample chest.

"Now, let's hear you talk," he continued, closing his eyes, and listening.

"What will Oi be saying doctor?"
Oh, say anything. Count one, two three, and up."

"Wan, two three, four five, six," began the patient. When the doctor with a start, opened his eyes, he was counting huskily, "Tin hundred an' sixty nine, tin hundred an' sivity, tin hundred and sivity one."—Christian Register.

Watch Child's Cough

Colds, running of nose, continued irritation of the mucous membrane if neglected may mean Catarrh later. Don't take the chances—do something for your child! Children will not take every medicine, but they will take Dr. King's New Discovery and without bribing or teasing. It's a sweet pleasant Tar Syrup and so effective. Just laxative enough to eliminate the waste poisons. Almost the first dose helps. Always prepared, no mixing or fussing. Just ask your druggist for Dr. King's New Discovery. It will

APPLE DAY

AT THE BIG, MIDDLE STORE

LISTEN—I have bought 200 boxes more apples. I am really ashamed to make known to you just now how I got these apples. But I didn't steal 'em.

And if you have a few pennies, you can own a box of apples.

Whenever I get a snap I pass it to my customers.

Suppose every man, woman and child in La Grande traded with me, I could then buy in such lots that each article would lessen in price.

It is the same way with these apples. I took the entire crop—cash buyer.

Come to the Middle Store Saturday—We open at 7 A. M.—or 'phone us.

Apples are good for the whole family. They cut off the doctor bills.

Don't think apples are all with me. My store is crushing with new goods.

Yours for Business,

Dr. W. N. Ruble of Eugene Is Dead
Eugene, Or., April 26.—Dr. W. N. Ruble, head of the Willamette sanitarium, a "naturopathic" institution

in this city, died at Salmon, Idaho, yesterday, at the age of 58 years. His death was sudden, according to a message received by his relatives. The body will be brought to Eugene for interment. Dr. Ruble was a native of Oregon and lived the greater

part of his life in Marion county. He came to Eugene six years ago and established his sanitarium. He was at Salmon at the time of his death to install one of the Ruble elevators, a machine used in placer mining and of which he was the inventor.
