What Is Uric Acid?

THE CAUSE OF BACKACHE, RHEUMATISM, GRAVEL AND SUDDEN DEATH.

Ever since the discovery of uric acid in the blood by Scheele, in 1775, and the bad effect it had upon the body, scientists and physicians have striven to rid the tissues and the blood of this poison. Because of its over-abundance in the system it causes backache, pains here and there, rheumatism, gout, gravel, neuralgia and sciatica. It was Dr. Pierce who discovered a new agent, called "Anuric," which will throw out and completely eradicate this uric acid from the system. "Anuric" has proved to be 37 times more potent than lithia, and consequently you need no longer fear muscular or articular rheumatism or gout, or many other diseases which are dependent on an accumulation of uric acid within the body. Send to Dr. Pierce, of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., for a pamphlet on "Anuric," or send 10 cents for a trial package of "Anuric Tablets."

If you feel that tired, worn-out feeling, backache, neuralgia, or if your sleep is disturbed by too frequent urination, go to your best drug store and ask for Dr. Pierce's Anuric Tablets. They are put up in 50-cent packages.

Doctor Pierce's reputation is back of this medicine and you know that his "Golden Medical Discovery" for the blood and his "Favorite Prescription" for the ills of women have had a splendid reputation for the past fifty years.

Doctor Pierce's Pellets are unequalled as a Liver Pill. One tiny Sugar-coated Pellet a Dose. Cure Sick Headache, Bilious Headache, Bizziness, Constipation, Indigestion, Bilious Attacks, and all derangements of the Liver, Stomach and Bowels.

Justice Moore Loses Life Companion

Salem, Or., April 26.—After a lingering illness, Mrs. Emma Moore, wife of Chief Justice Frank A. Moore, of the supreme court, died at her home here last night. The direct cause of death was an attack of heart disease.

Mrs. Moore was 86 years old, and was a native of Tipton, Ia. Her maiden name was Shintaffer, and she was married to Chief Justice Moore at Point Pleasant, Ia., on April 15, 1866. They observed their 50th wedding anniversary this month.

Shortly after their marriage they came to Oregon and settled at St. Helens, and 23 years ago Justice Moore was elected to the supreme court, and since then the family has resided in this city.

Surviving Mrs. Moore, besides the husband, are two daughters, Miss Calista Moore, of this city, and Mrs. Frank Miles, of Portland, and a son, Arthur H. Moore, of this city.

Mrs. Moore was a member of the First Presbyterian church.

The day of the Croup scare is over for those parents who wisely keep Foley's Honey and Tar Compound at hand ready for instant use.

Mrs. Chas. Reitz, Allen's Mills, Pa., writes: "I have used Foley's Honey and Tar Compound for the past eleven years and would not be without it. It has saved me many a doctor's bill for colds and croup."

If toward nightfall the little ones grow hoarse and croupy, if their breathing becomes wheezy and stuffy, give them Foley's Honey and Tar Compound. Many a careful mother has been able to ward off an attack of spasmodic croup by its timely use.

If you are awakened by the hoarse brassy cough that means croup, give Foley's Honey and Tar Compound at once. It will ease the little sufferers quickly, cut the thick choking phlegm, and soon they will have easy breathing and peaceful quiet sleep.

TURN HAIR DARK WITH SAGE TEA

If Mixed with Sulphur It Darkens so Naturally Nobody can Tell.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the messy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive. This ready-to-use preparation is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.
